

Builder's Risk Infrastructure Solutions

CHUBB®

Builder's Risk Infrastructure

Chubb delivers specialized and integrated builder's risk insurance solutions with sophisticated claim management, loss control, risk and safety engineering, and experienced underwriters. Whether our customers are general contractors, large transportation authorities or local municipalities, we work collaboratively to help develop effective risk management solutions that utilize both traditional and non-traditional approaches.

Chubb's Builder's Risk policy can be tailored to meet location-specific requirements, addressing customers' risks of physical loss or damage to infrastructure and transportation-related properties.

With significant critical catastrophic capacity for flood, earthquake, and named windstorm, Chubb can craft a policy to address most exposures.

Coverage Highlights

- Individual Project Builder's Risk and Master Programs
- Physical Damage, Testing, and Delay In Opening coverage available
- International Builder's Risk for U.S.-based clients, including local policies where needed
- Limited Contract Penalty coverage available as a result of a covered physical damage loss
- 100% placements and/or quota share lead terms
- Various optional coverages and endorsements based on client need
- DIC for construction projects on a select basis
- Industry leader on Public-Private Partnership projects and coverages
