The Masterpiece Advantage

At Chubb, when it comes to helping to protect your home, we go beyond your expectations.

Our Masterpiece policy provides coverage for individuals with significant assets to protect, and who appreciate superior levels of cover and service for their homes, contents, fine art, jewellery, antiques, collections and personal liability.

Masterpiece provides peace of mind through comprehensive cover including a broad variety of personal insurance to reduce the liabilities faced in everyday living.

Home Appraisal

As a pre-eminent insurer of fine homes and possessions, Chubb offers complimentary home appraisals for many of the homes that we insure.

One of our professional appraisers will visit your home to carefully note architecture details as well as the interior and exterior features that determine your home's replacement cost and the amount of coverage you really need.

Our appraisers also assist with security and fire prevention advice and will offer suggestions to protect your valuables from damage and theft.

Helping protect what
makes your house a home

Home and Contents

Extended replacement cost coverage

We will cover the full cost to rebuild your home after a covered loss even if this is more than the sum insured. So it safeguards you from the consequences of under-insuring your home.

Cash settlement option

You can choose to receive cash if you decide not to rebuild your home or replace your possessions in the event of a covered loss.

Your choice of craftsmen

We allow you to choose your contractors and craftsmen. Most insurers insist that you use their preferred contractors. When you're insured with Chubb, you control the specialist repair of your home or possessions. You can feel confident that the highest quality of work is protecting the future value of your investments.

Replacement cost on contents

When replacing your contents, Chubb pays you what it costs to replace the item today, up to your sums insured. So all your possessions, from clothing to sports equipment to valuable antiques are covered, without deduction or depreciation.

Worldwide cover for accidental loss and damage

Our broad cover means all your possessions are automatically covered wherever you are in the world for accidental loss or damage, even when you are travelling or your goods are in transit or in storage.

Additional living expenses cover

If you can't live in your home due to a covered loss, we will pay the reasonable costs for your additional living expenses while your home is being rebuilt.

Coverage that
keeps up with the times

Valuable Articles

It's not uncommon for the valuable collections within a home to be worth more than the house itself.

Jewellery, fine art, antiques, silverware, wine and collectibles are all assets that demand particular attention. Maintaining their lustre, controlling their climate and managing their safe-keeping are measures that are imperative to protecting their value.

Chubb's Masterpiece Valuable Articles coverage is specifically designed to provide superior cover for valuable assets. Wherever you are in the world, Masterpiece will protect the true value of your precious items, giving you peace of mind so you can wear, use and enjoy them to the fullest.

Exceptional coverage
across the globe

Choices that suit your lifestyle

As a **world leading** insurer of fine homes and possessions, Chubb gives you more than just a typical policy, **we give you choices:**

Itemised or blanket coverage

When you itemise each of your valuable articles with Masterpiece, we will cover them for the agreed value. This allows you to determine up front the value of each individual piece listed in your policy. Then, in the event of irreparable damage or loss, you will receive 100% of the agreed value of the item, with no excess or depreciation. Alternatively, you can choose blanket cover, where all you need to do is select a total limit of coverage for each category you wish to insure.

Cash settlement

We understand that some pieces are simply irreplaceable so you can always choose to take cash for the insured value, rather than attempting to replace the piece.

Your choice of repairer

If you choose to have your damaged piece repaired, we will happily use your preferred tradesman or artisan to complete the repairs.

Loss of market value cover

If an itemised or blanket valuable article is damaged, we will not only pay to repair but will compensate you for any loss in market value as a result of the damage.

Instant cover for newly acquired pieces

If you have certain valuables itemised on your policy, and you add new items to your collection, these items will be automatically covered for 90 days. For fine art, jewellery, furs, cameras and musical instruments, the amount of coverage can be as high as 25% of your original itemised amount for that category.

Pairs, sets and parts cover

If you lose a piece of a pair or set or it is damaged beyond repair, simply give us the remaining piece(s) and we will pay the full replacement cost for the entire pair or set.

Extras

Personal liability cover

Masterpiece provides you and your family with personal liability cover for a variety of circumstances where you are legally responsible. For instance it will provide you with cover if a guest incurs an injury at your home and takes legal action against you.

Identity fraud cover

Someone stealing from your bank account or credit card account, taking out loans or refinancing mortgages under your name are examples of one of the fastest growing white-collar crimes in Australia. Masterpiece will protect you from financial losses that can result if someone assumes your identity for illicit purposes.

Family protection cover

The risk of becoming a victim of crimes such as car jacking, home invasion, child abduction, road rage, hijacking, air rage or stalking is growing, and the potential physical and emotional effects of such traumas cannot be underestimated.

Family Protection cover is automatically provided with Masterpiece to help defray the costs associated with recovery from such an event and also help prevent any reoccurrence.

Kidnap expense cover

Our broad cover is accentuated by the fact it even provides cover for expenses as a result of kidnap and ransom.
