Chubb Serves Dinner to Cap Year of Charity Participation

Toronto, ON, February 22, 2010 – A group of Chubb Insurance employees rolled up their sleeves and served dinner to 300 homeless people as one of the final touches in a year of giving generously by the company and its employees.

While more than \$500,000 in contributions were made by the company and its employees in 2009, the contribution of employee time was also considerable.

The dozen Chubb employees in Montréal who turned out to serve dinner for the homeless at the Old Brewery Mission were a good example. “There is great satisfaction in supporting the city we live and work in,” said Jean Bertrand, Senior Vice President and Montreal Branch Manager who participated in the event. “It is a credit to Chubb that the company supports employees’ volunteer activities, empowering us to be active with charity work.”

Financially, Chubb has been an exemplary supporter of the United Way Campaign in all its offices as well as a wide range of other causes from Tulips for Parkinsons, Run/Walk for the Cure, Juvenile Diabetes, Women in Insurance Cancer Crusade, the Chubb Charity Challenge (now in its 10th year) and many, many others.

Employees also team up as volunteers to provide significant support for the CN Tower Climb, Clean Up Day Toronto, Junior Achievement and the Make-a-Wish Foundation among others.

Ellen Moore, current President of Chubb Insurance Company of Canada, continues this culture, “We are proud of our company’s support for the community work. Our selection as one of Canada’s top employers for the past ten years shows that Chubb supports a balance of work, life and charity for our employees.”

Chubb Insurance Company of Canada has offices in Toronto, Montreal, Vancouver, and Calgary and employs an exclusive network of more than 200 brokers across Canada.
