

Chubb Is #180 on "Fortune 500" List

Fortune magazine has just published (in the May 5 issue) its new "Fortune 500" list — the annual ranking of the largest companies in the United States, based on 2007 revenue. Among the 500 largest companies in all industries, Chubb is #180 when measured by revenues, but is #71 when measured by profits and #32 by profit margin (profit as a percent of revenue). Among all property & casualty insurance companies, we are ranked #1 in profit margin.
