

CHUBB®

Runabout to mega-yacht. West coast to east coast, and inland waters in between. Monoline or package – Chubb has you covered.

## Chubb Recreational Marine coverage – for all your clients’ boating protection needs.

Chubb has been a trusted provider of Recreational Marine coverage for decades, offering comprehensive coverage for various watercraft types, from small runabouts to full-time captained mega-yachts. If you’re new to quoting Chubb, you’ll find we offer a variety of coverage options for boats and yachts moored coast to coast, including inland states – and there’s no minimum length or value!

### Here are a few examples of account characteristics that make clients a great fit for Chubb Recreational Marine insurance:

- Inland watercraft used on lakes (yes, that includes 18’ lake boats!)
  - West-coast watercraft
  - Privately owned and pleasure-used watercraft (LLC entity ownership is acceptable)
  - Watercraft with less than 70 mph max speed; bass boats acceptable up to 75 mph
  - Operators with three years of ownership and operation experience on similar watercraft
  - First-time owners of watercraft up to 26’ in length and up to 70 mph max speed
  - Watercraft 15 years of age or newer
  - Mega-yachts with full-time captain (70’+ in length and \$3M+ in hull value)
- \*State-specific guidelines may apply, including watercraft moored in Florida and the Gulf of Mexico*

### And here are some of the different types of watercraft we insure

Ski Wake Boats

Bowriders

Center Consoles

Trawlers

Sportfishing Yachts

Express Cruisers

Motor Yachts

Note: This does not represent the full list of acceptable risk characteristics or preferred boats and yachts. A full submission should be made for a complete underwriting review for acceptability. This marketing document is intended to provide a general overview on how you can find an opportunity to grow your Recreational Marine business with Chubb. Talk to your sales team representative or underwriter for more information.
