We will give you a hands-on demonstration of SafeLane SM and show you how it works using the Chubb mobile app. We will also give you an overview of impact on our clients and discount potential which is attractive to clients.
12/3/25	New Business PLS Auto Quoting, Running Reports and Issuing a Policy (KY, SC, HI, VA, NJ, MA)	2:00-3:00 PM	REGISTER	Learn how to quote auto in the PLS system, run reports, and issue a policy. This course pertains primarily to auto policies in KY, SC, HI, VA, NJ, and MA.
12/3/25	Masterpiece EZ Quote-New Business	3:00-3:45 PM	REGISTER	Join us for a walk-through of our enhanced Masterpiece EZ Quote system, where we'll guide you through the complete quoting process. You'll learn how to seamlessly quote flood coverage for new business in states where it's available. Additionally, we'll demonstrate how to set your individual quote preferences to streamline the process and reduce unnecessary keystrokes.
12/4/25	Legal Entities	1:00 PM-2:00 PM	REGISTER	Join us as we look at legal entities (ex. Trust, LLC) from a Risk Management perspective. This webinar will cover what they are, how they are used, and how they impact your risk profile.
12/4/25	How to Quote Recreational Marine Business	2:00-2:45 PM	REGISTER	Learn how easy it is to quote watercraft exposures in the ORCA system. We'll go through how to launch and navigate ORCA, input a full or EZ quote, compare quotes and coverage options, bind coverage, and issue the policy, as well as where to find new products, FAQs, and additional training opportunities.
12/8/25	Wildfire Wisdom: Understanding Wildfire and Home Resilience	11:00 AM-12:00 PM	REGISTER	Join us for an informative session focused on enhancing knowledge and strategies around wildfire preparedness and resilience. We recognize the importance of equipping agents and brokers with the knowledge and tools necessary to better serve their clients in the face of increasing wildfire risks. This workshop will equip you with the insights necessary to guide your clients in safeguarding their homes against the threats posed by wildfire and understand the resources available to them to take action.
12/8/25	Delivering More for your Clients: Explore our Complimentary and Discounted Services for PRS Clients	1:00-1:45 PM	REGISTER	This presentation will review the wide range of complimentary and discounted services available for Chubb PRS clients. These offerings provide solutions for client issues while adding value to their insurance program and enhance the overall experience for your clients.

Date	Class Name	Time (Eastern)	Registration Link	Description
12/9/25	Elevating Service: Your Risk Solutions Concierge	1:00-1:30 PM	REGISTER	Join us for this webinar where we delve into the comprehensive services offered by the Chubb Risk Solutions Concierge Team . This 30-minute session will highlight how the team supports clients in navigating critical engineering requirements and implementing effective loss prevention measures. Key topics include: personalized, one-on-one reviews to address client-specific needs; guidance on selecting and installing loss prevention devices, such as water leak detection systems, gas shut-off devices, and home security solutions; referrals to trusted service vendors and education on loss prevention options.
12/9/25	Chubb PRS NEW Service for Water Leak Detection Devices-StreamLabs	2:00-3:00 PM	REGISTER	During this session, we will introduce you to StreamLabs, a Chubb Company and industry leading manufacturer of smart water leak detection devices. You will learn about StreamLabs’ products, how Chubb PRS and StreamLabs are working together to provide a comprehensive approach to water damage prevention, and how StreamLabs is working with clients to help them proactively install devices or address water related critical requirements. This webinar is a must-attend for anyone who is looking to learn more about StreamLabs, including how they will be working with PRS clients and supporting your efforts to promote awareness for these much needed systems.
12/9/25	Chubb Masterpiece Cyber Protection	3:00-3:45 PM	REGISTER	As insurance professionals, we often focus on risks coming from homes and cars, but it is becoming just as important to help protect your clients from online threats. Learn how you can help protect your clients with optional Masterpiece Cyber Protection. We’ll talk about the online hazards for successful clients and how our product can minimize the risks.
12/10/25	Partners In Water Loss Prevention-Chubb Solutions	2:00-3:00 PM	REGISTER	Learn about effective solutions to water loss. We will discuss common causes of water loss, learn how your client views water damage, and understand the agents unique role in minimizing these losses. We’ll also give you the tools to educate clients on system differences, explain Chubb’s preferred systems solutions, and highlight discounts available. This training will provide you with the confidence to start conversations with your client. (Webinar combines highlights and updates of the previous segment 1 & 2 trainings on water loss).
12/10/25	Understanding Replacement Cost	2:00-3:00 PM	REGISTER	This webinar covers how replacement cost differs from market value and assessed value; the primary drivers of replacement cost including the age of a home and special features; how Chubb values Course of Construction and Condo risks; how new construction differs from reconstruction; and understanding how to estimate coverage for a client’s home when quoting.
12/11/25	Why Sell Flood	11:00-11:45 AM	REGISTER	Please join us for this NEW Flood webinar as we share claims examples, the need for Flood coverage, as well as reviewing our Chubb enhanced Flood coverages vs. the NFIP.
12/11/25	Chubb Classic Car 101	1:00-2:00 PM	REGISTER	Join us to learn about Chubb’s Classic Car coverages; Why Chubb; our target market, underwriting, claim examples; as well our expertise around classic cars.
12/11/25	Catastrophe Planning: Helping Clients Plan and Prepare for the Unexpected	2:00-2:30 PM	REGISTER	This presentation will provide you with tips and resources to help answer your clients' questions and help your clients plan and prepare for unexpected catastrophes, including wildfires, hurricanes, earthquakes, and tornadoes.
12/11/25	Chubb Masterpiece Equipment Breakdown Coverage	3:00-3:30 PM	REGISTER	Your clients probably don’t think much about their home equipment until it stops working. Learn how you can help keep their lives running smoothly with optional Masterpiece Equipment Breakdown coverage from Chubb. We’ll provide an overview of coverage options, common loss scenarios, and how Chubb’s product compares to other marketplace options.

Date	Class Name	Time (Eastern)	Registration Link	Description
