E. Integrated Governance Application in Chubb Indonesia Financial Conglomeration

With regard to the Integrated Governance implementation, PT Chubb General Insurance Indonesia as the Primary Entity has undertaken the following matters:

I. Primary Entity Board of Directors

The Primary Entity Board of Directors applied the Integrated Governance in Chubb Indonesia Financial Conglomeration through the following implementation:

1. The Primary Entity Board of Directors applied Integrated Governance Guidelines into all Financial Service Institution (“FSI”) within Chubb Indonesia Financial Conglomeration.
2. In terms of implementation of the integrated internal auditing function, the Primary Entity Board of Directors received an integrated internal audit report and ensured that audit findings and recommendations were followed up in accordance with the applicable authority in the respective FSI.
3. With regard to the implementation of integrated compliance, the Primary Entity Board of Directors ensured that all policies, regulations, systems and procedures, as well as undertaken business activity were done in accordance with OJK regulations and prevailing legislation.
4. In the framework of the implementation of the integrated risk management, the Primary Entity Board of Directors implemented the Integrated Risk Management Policy in all FSI in Chubb Indonesia Financial Conglomeration.
5. To implement the integrated risk management process, the Primary Entity Board of Directors was supported by the Integrated Risk Management Committee. The Integrated Risk Management Committee held 2 (two) meetings in 2019. The results of the Integrated Risk Management Committee meetings were set forth in the minutes of meetings, well documented and reported to the Primary Entity Board of Directors and Board of Commissioners.

II. Primary Entity Board of Commissioners

The Primary Entity of Board of Commissioners was responsible to perform an oversight on the Integrated Governance implementation below:

1. The Primary Entity Board of Commissioners was responsible for evaluating and giving direction in the improvement of Integrated Governance Guidelines. The existing Integrated Governance Guidelines complied with the OJK Regulation Number 73/POJK.05/2016.
2. In monitoring the implementation of integrated governance, the Primary Entity Board of Commissioners was supported by the Integrated Governance Committee. The Integrated Governance Committee held 2 (two) meetings in 2019. The results of the Integrated Governance Committee meetings were set forth in the minutes of meetings, well documented and submitted to the Primary Entity Board of Directors and Board of Commissioners.

III. Risk and Compliance Division of the Primary Entity

1. With regard to the Integrated Governance implementation, the Risk and Compliance Division of the Primary Entity that was designated as the Integrated Compliance Working Unit coordinated with the compliance function in the respective FSI, had the duty to observe and evaluate the implementation of the compliance function in each FSI in Chubb Indonesia Financial Conglomeration.
2. In the application of the Integrated Risk Management, the Risk and Compliance Division of the Primary Entity carried out the function of Integrated Risk Management Working Unit which involved engagement and coordination with the risk management function in each FSI within Chubb Indonesia Financial Conglomeration based on the stipulated integrated risk management policy.

IV. Internal Audit Division of the Primary Entity

In implementing the integrated internal audit function, the Internal Audit Division of the Primary Entity acted as the Integrated Internal Audit Working Unit with the following responsibilities:

1. Evaluated and provided feedback on the adequacy of the internal audit methodology, policies and procedures at the respective FSI in Chubb Indonesia Financial Conglomerate at the planning stage of the audit, audit execution, audit reporting and follow-up monitoring.
2. Submitted the integrated audit result report to the Primary Entity Board of Directors and Commissioners.
3. Monitored the follow-up of integrated internal audit results and reported the results to the Primary Entity Board of Directors and Board of Commissioners.

F. Self-Assessment Report of Integrated Governance Implementation for Chubb Indonesia Financial Conglomerate Year 2019

In accordance with OJK Regulation on the Application of Integrated Governance Application for Financial Conglomerates, the Primary Entity carried out self-assessment on the implementation of the principles of Governance at least every semester for the position as of end of June and December.

Self-Assessment Result Integrated Governance Implementation Period December 2019	
Ranking	Ranking Definition
2	It was assessed that the implementation of Integrated Governance in the Financial Conglomerate was generally good. This is reflected in an adequate fulfillment of the application of the principles of Integrated Governance. If there are weaknesses in the application of the principles of Integrated Governance, the weaknesses are generally less significant and can be solved with normal action by the Primary Entity and / or Financial Service Institution (FSI).
