Chubb Target Market Determination

Important Information

This Target Market Determination (**TMD**) is designed to assist customers, distributors and Chubb Insurance Australia Limited (**Chubb**) staff to understand who this product has been designed for and who it is not suitable for.

The TMD identifies triggers for Chubb to review the target market and sets out the conditions and restrictions on distribution of the product described below. It also sets out the reporting obligations of Chubb's distributors. This document is not a Product Disclosure Statement (**PDS**) and is not a summary of the product features or terms of the product.

This document does not take into account any person's individual objectives, financial situation or needs and is not intended to constitute personal advice. Persons interested in acquiring this product should carefully read the PDS before deciding whether to purchase this product.

This TMD is effective from the date of publication until its replacement or withdrawal. This Target Market Determination (**TMD**) is required under section 994B of the Corporations Act 2001 (Cth) and has been prepared by the product issuer, Chubb AFSL 239687 ABN 23 001 642 020.

Where a word is capitalised in this TMD and not otherwise defined, the definition of the word can be found in the policy wording/PDS.

Customer's likely objectives, financial situation, and needs

Objectives	The likely objective of individuals and businesses is to financially protect their equipment from a range of insurable losses (theft and accidental damage).
Financial situation	The likely financial situation for consumers in this target market is broad and would include individuals and businesses from all socio-economic levels within the community who can afford to pay the premium and any applicable excesses and would suffer a financial loss in the event of theft or accidental damage to their equipment.
Needs	The likely needs of the target market includes individuals and businesses who wish to have their equipment repaired or replaced in the event of:

-
- | | |
|--|--|
| | <ul style="list-style-type: none">• Accidental Damage;• Accidental Loss; and• Theft. |
|--|--|
-

Customers the Product was not designed for

This Product is not suitable for persons who are:

- × parents of school students (primary and secondary) who wish to insure their child's school-used mobile IT equipment;
- × education providers who own IT equipment that is used by school students (primary and secondary);
- × individuals who have an existing home contents insurance policy which provides the same type of cover for the equipment.

Why Product is consistent with the Target Market

Chubb views that the Product is consistent with the target market as the target market comprises individuals and businesses seeking insurance cover for equipment and the Product provides cover for general equipment used for either personal or business use. It is therefore likely that the Product will meet the needs, or go towards meeting the needs, of those in the target market.
