Key covers/attributes

- ✓ Cover applies to persons engaged to undertake voluntary work (Insured Person) on behalf of the organisation/business who is the Policyholder.
- ✓ Lump sum payments up to a specified amount (in line with the Age Limitations in the Chubb Endorsements) for certain Injuries sustained by a Covered Person resulting in events such as permanent loss of fingers, toes, eye/s or limbs and accidental death.

Key exclusions and limitations of cover

- ✗ This Product excludes claims arising from (amongst other things):
 - piloting;
 - Professional Sport;
 - intentional self-injury;
 - War or Civil War;
 - Pre-existing Conditions - any physical defect, condition, illness or disease for which treatment, medication or advice (including advice for treatment) has been received or prescribed by a Medical Practitioner three (3) years immediately prior to becoming an Insured Person under the Policy (and as more fully defined in the Policy wording);

- ✗ While there is no age limit, this Product has reduced cover for Insured Persons aged seventy-five (75) years or over.

Classes of Customers

- ✓ The class of customers for who this product is targeted can be categorised as organisations/businesses of any size with an Australian Business Number (ABN) that engage volunteers on an unpaid basis to perform low risk voluntary work on their behalf. Examples of low risk voluntary work include, but are not limited to, providing administrative support, engaging in community outreach activities, running local tours, community clean-up or tree planting days.

Customer's likely objectives, financial situation, and needs

Objectives	The likely objective of organisations/businesses in this target market is wanting to provide: <ul style="list-style-type: none"> • personal accident coverage to their volunteers for while they are performing voluntary work for the organisation/business; • coverage for rehabilitation of an injured volunteer.
Financial situation	The organisations/businesses this product is intended for must have the financial means to pay the premium. Insured Persons must have the financial means to bear any relevant excesses and/or waiting periods in the event of a claim, where applicable. Organisations/businesses in a range of financial situations may seek to protect their volunteers against the losses covered by the Product.
Needs	The target market includes organisations/businesses that engage volunteers who will likely need cover against non-Medicare medical expenses and/or loss of earnings (from another source) caused by their temporary or permanent disablement following an injury sustained whilst engaging in volunteer work on behalf of the organisations/businesses (the Policyholder).

Customers the Product was not designed for

This Product is not suitable for:

- ✗ organisations/businesses who do not engage voluntary workers;
- ✗ organisations/businesses seeking personal accident coverage for paid employees;
- ✗ organisations/businesses seeking cover for high-risk voluntary work such as, firefighting or State Emergency Services; and/or
- ✗ individuals.

Why the Product is consistent with the Target Market

Chubb views that the Product is consistent with the target market as the target market comprises organisations/businesses who engage volunteers and the Product provides cover for temporary or permanent disablement resulting from an Injury sustained while volunteering. It is therefore likely that the Product will meet the needs, or go towards meeting the needs, of those in the target market.
