# Chubb Target Market Determination

## Important Information

---

This Target Market Determination (**TMD**) is required under section 994B of the Corporations Act 2001 (Cth) and has been prepared by the product issuer Chubb Insurance Australia Limited (**Chubb**) AFSL 239687 ABN 23 001 642 020. The TMD is designed to assist customers, distributors and Chubb staff to understand who this product has been designed for and who it is not suitable for. The TMD identifies triggers for Chubb to review the target market and sets out the conditions and restrictions on distribution of the product described below. It also sets out the reporting obligations of Chubb's distributors. This document is not a Product Disclosure Statement (**PDS**) and is not a summary of the product features or terms of the product. This document does not take into account any person's individual objectives, financial situation or needs and is not intended to constitute personal advice. Persons interested in acquiring this product should carefully read the PDS before deciding whether to purchase this product.

This TMD is effective from the date of publication until its replacement or withdrawal.

Where a word is capitalised in this TMD and not otherwise defined, the definition of the word can be found in the policy wording/PDS.

### 2. Product Target Market

#### What is the Product?

This Product provides cover for property that could include household goods and personal Property against loss or damage while being transported by a professional Transport Operator, within Australia.

#### Key covers/attributes

- ✓ Cover for accidental Loss (including theft) or Damage to personal Property whilst it is being Transported by road, rail, sea or air, within Australia.
- ✓ Cover from when Property is collected by Transport Operator, while in transit and during all loading and unloading operations until the Property is delivered to the consigned address
- ✓ Cover for repair or replacement, up to the Sum Insured.
- ✓ Additional benefits, such as cover for Removal of Debris and shipping containers.
- ✓ Legal liability arising from 'Both to Blame Collision Clauses'.
- ✓ Cover for General Average claims.

#### Key exclusions

This Product excludes claims arising from, or related to (among other things):

- ✗ Excluded Property, including, but not limited to:
  - bullion;
  - cash securities and other cash equivalents;
  - goods which are banned, prohibited or otherwise excluded by any law;
  - live animals or plants;
  - watches, precious jewellery, metals, stones;
  - mobile phones and laptops;
  - temperature sensitive goods;
  - perishable goods;
- ✗ delay;
- ✗ fraud, Dishonesty and Intentional Conduct;

- × lawful seizure;
- × cyber or loss of data or media;
- × Communicable Disease;
- × Loss or damage occurring in a sanctioned country.

### Customers the Product was designed for

This Product is targeted at customers who are:

- ✓ relocating property that could include personal and household Property, within Australia, by road, rail, sea or air using a professional Transport Operator, which is at risk of accidental loss or damage during transit.

### Classes of Customers

The class of customers for whom this Product is targeted can be categorised as:

- ✓ individuals and businesses relocating property that could include personal or household property using a professional Transport Operator.

### Customer's likely objectives, financial situation, and needs

<b>Objectives</b>	The likely objective for customers in this target market is to have financial protection for their property which could include personal property in the event of accidental loss or damage whilst in transit.
<b>Financial situation</b>	The likely financial situation of customers in this target market is broad, however they are likely to experience a financial burden should an insurable event cause loss or damage to their property that may be personal property. Customers should be able to afford the premium and any applicable excesses payable.
<b>Needs</b>	Transit of property including personal property is often excluded from the majority of home and contents policies and as such individuals transporting their personal items from one location to another will need to purchase a separate insurance policy (such as this Product) to have financial protection for their property in transit.

### Customers the Product was not designed for

This Product is not suitable for those customers who are:

- × not using professional removalists/Transport Operators;
- × wanting to transport property outside of Australia;
- × wanting insurance for items of Excluded Property.

## Why Product is consistent with the Target Market

Chubb views that the Product is consistent with the target market as the target market comprises individuals and businesses who require financial protection against accidental loss or damage to personal property whilst in transit within Australia, and the policy provides such cover if the customer is using a professional Transport Operator. It is therefore likely that the Product will meet the needs, or go towards meeting the needs, of those in the target market.

<b>Distribution in accordance with TMD</b>	The Product must only be distributed in accordance with this TMD and the contractual arrangements in place between Chubb and the Distributors.

#### Explanation

Customers that obtain the Product in accordance with the distribution conditions set out above are more likely to be in the target market for this product because the Distributors specialise in the distribution of cargo/freight related insurance products.

## 4. Product Review

**Periods of review:** Mandatory periodic reviews of the TMD will occur at least every **2 years** subject to intervening review triggers (see below).

### Review triggers:

Review triggers are events that suggest the TMD may no longer be appropriate and may trigger a review **prior** to periodic review as set out above. The review triggers for this product are set out below.

1.	Any material change to the Product, including a change to the PDS.
2.	Changes to relevant laws, regulatory guidance, or industry codes.
3.	Any determination of or feedback from regulators, the Australian Financial Complaints Authority, a court or a tribunal suggesting that the target market may no longer be appropriate (including the use of Product Intervention Powers).
4.	The nature of feedback regarding the Product, including whether complaints have increased significantly from consumers or distributors.
5.	Distribution or purchasing of the Product in a manner significantly inconsistent with the TMD.

## 5. Reporting Obligations

Chubb's third-party distributors must report the following information to [tmd.reporting@chubb.com](mailto:tmd.reporting@chubb.com) in order to ascertain whether or not the TMD remains appropriate to assist us in improving our product for our customers.
