Chubb Target Market Determination

Important Information

This Target Market Determination (**TMD**) is designed to assist customers, distributors and Chubb Insurance Australia Limited (**Chubb**) staff to understand who this product has been designed for and who it is not suitable for.

The TMD identifies triggers for Chubb to review the target market and sets out the conditions and restrictions on distribution of the product described below. It also sets out the reporting obligations of Chubb's distributors. This document is not a Product Disclosure Statement (**PDS**) and is not a summary of the product features or terms of the product.

This document does not take into account any person's individual objectives, financial situation or needs and is not intended to constitute personal advice. Persons interested in acquiring this product should carefully read the PDS before deciding whether to purchase this product.

This TMD is effective from the date of publication until its replacement or withdrawal. This Target Market Determination (**TMD**) is required under section 994B of the Corporations Act 2001 (Cth) and has been prepared by the product issuer, Chubb AFSL 239687 ABN 23 001 642 020.

Where a word is capitalised in this TMD and not otherwise defined, the definition of the word can be found in the policy wording/PDS.

Customers the Product was designed for

- ✓ This Product is targeted at companies domiciled in Japan who employ non-Australian residents who are working and residing in Australia on a temporary basis and require cover for medical expenses during that time.

Classes of Customers

The class of customers for who this Product is targeted can be categorised as:

- ✓ companies domiciled in Japan, who employ non-Australian residents to work in Australia on a temporary basis.

Customer's likely objectives, financial situation, and needs

Objectives	The likely objective of customers in this target market is to provide cover for medical expenses to non-Australian resident employees (and their accompanying spouse/partner and dependent children) whilst residing in Australia for work.
Financial situation	The organisations/businesses this product is intended for must have the financial means to pay the premium. Covered Persons must have the financial means to bear any relevant excesses, co-payments and/or waiting periods in the event of a claim, where applicable. Employers/ individuals in a range of financial situations may seek to protect their employees against the losses covered by the Product.
Needs	The target market includes non-Australian resident employees assigned to work in Australia that likely need cover for routine and emergency medical expenses incurred while they are on assignment.

Customers the Product was not designed for

This Product is not suitable for:

- × organisations whose country of domicile is not Japan;
- × organisations seeking medical insurance for employees living in Australia who are Australian citizens or Permanent Residents of Australia;
- × organisations seeking medical insurance for employees leaving Australia to work and reside in an overseas country on assignment;
- × any foreign nationals who have the benefit of reciprocal Medicare arrangements, or similar, with Australia.

Why the Product is consistent with the Target Market

Chubb views that the Product is consistent with the target market as the target market comprises companies domiciled in Japan that have employees (who are non-Australian residents) working in Australia and the Product provides medical insurance cover for them during that time. It is therefore likely that the Product will meet the needs, or go towards meeting the needs, of those in the target market.

3. Conditions/Restrictions on product Distribution

Restriction/Condition	Description
Method of distribution	<p>This Product may be distributed by Aon Risk Services Australia Limited t/as Japan Insurance Services (ABN 17 000 434 720, AFSL No. 241141) (Distributor).</p> <p>The Distributor is an insurance broker, operating throughout Australia, acting under its own Australian Financial Services Licence.</p> <p>Distributor contact details:</p> <p style="text-align: center;">Level 33 Aon Tower 201 Kent Street Sydney, NSW 2000 Phone 02 9253 7000</p>
Underwriting criteria	The Distributor is required to distribute the Product in accordance with Chubb's underwriting criteria.
Promotional Material	Any promotional material which is used by the Distributor in relation to the Product must be pre-approved by Chubb and must contain an electronic link to this TMD.
Distribution in accordance with TMD	The Product must only be distributed in accordance with this TMD and the contractual arrangements in place between Chubb and the Distributors.

Explanation

Customers that obtain the Product in accordance with the distribution conditions set out above are more likely to be in the target market for this Product because a qualified insurance broker is acting on their behalf and can assess the customers objectives, financial situation and needs.

4. Product Review

Periods of review:	Mandatory periodic reviews of the TMD will occur at least every 2 years subject to intervening review triggers (see below).
---------------------------	--

Review triggers:

Review triggers are events that suggest the TMD may no longer be appropriate and may trigger a review **prior** to periodic review as set out above. The review triggers for this product are set out below.
