General Information

30 day money back guarantee

You have 30 days from the Commencement Date to make sure you are happy with the Policy, and decide whether you want to keep the Policy or any optional benefit. This is known as the “cooling-off” period. If you want to cancel your Policy or the optional benefit within this 30 day period you may do so provided you have not made a claim under the Policy. Please send your Policy Schedule to **Chubb Accident Insurance Customer Service**, PO Box 6728, Baulkham Hills NSW 2153 with a written request within the 30 day period. When your letter and Policy Schedule are received, the Policy will be cancelled, and any premiums you may have paid will be refunded.

Automatic sum insured increases

To help your level of Insurance keep up with the cost of living, your insurance and all optional benefits (if applicable) are automatically increased on each Policy Anniversary by 5%.

Automatic increases will continue even where the maximum Benefit Amount is met or exceeded.

We will send you an updated Policy Schedule each year your Policy remains in force 30 days prior to your Policy Anniversary setting out your updated Benefit Amount and premium.

You can decline the automatic increase by writing to **Chubb Accident Insurance Customer Service**, PO Box 6728, Baulkham Hills NSW 2153. If you decline the automatic increase, the updated Policy Schedule we sent you will not be valid and we will send you a replacement Policy Schedule.

If you choose not to accept an increase in any given year, it will not affect your entitlement to them in the future.

The automatic increases will end on the Policy Anniversary after the Life Insured reaches age 75.

Further Insurance options

We may offer you the option of incorporating further Insurance benefits under your Policy. If you accept such offers, we will issue you with a new Policy Schedule setting out the important details about the Insurance option.

Premiums

We may change the premium rates applying to your Policy, but only if we change the premium rate applying to all (or the same group of) Chubb Accident Insurance Policyowners. We will send written notice of any change to you (to your last address notified to us) at least 90 days before the effective date of the change.

Premium payments and deductions

Your premium will be debited on the date of your choice, either fortnightly, monthly or annually. The date you select for your first premium deduction will become your Policy Commencement Date. You can pay either by automatic debit from your bank, credit union or building society account or by charge to your credit card.

You may apply at any time in writing or by phone to change the method of payment of premiums. Payment frequency changes can only be made on the Policy Anniversary following the request.

All payments made in connection with this Policy must be made in Australian currency.

Changing your Insurance

You may apply at any time in writing to:

- decrease your Insurance; and
- increase your Insurance; and
- change from a Single Plan to a Joint Plan (or from a Joint Plan to a Single Plan).

Any change and the terms and conditions relating to the change are subject to approval and written confirmation by us.

Policy cancellation

If you don't pay your premium when it is due and it remains unpaid for more than one month your Policy could be cancelled. It may be reinstated within six months of the date that the Policy was cancelled, but only if we agree and subject to any terms and conditions we might require.

The Policy will be cancelled if the Policyowner is on a temporary work visa and ceases to reside in Australia.

You can cancel your Policy by writing to **Chubb Accident Insurance Customer Service**, PO Box 6728, Baulkham Hills NSW 2153, giving 30 days notice.

Insurance risks

There are a number of Insurance risks you should be aware of, including:

- You need to select the correct Insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover it might cause you or your family to suffer financial hardship even after receiving the benefit payment.
- If you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change.

- This Policy is designed purely for protection, unlike some other types of life insurance that have savings and investments components, which means that if you cancel your Policy (after the 30 day cooling-off period) you will not receive anything back unless you have paid more than 30 days in advance.

Benefit payments

Unless a valid nomination (explained below) applies:

- we make all benefit payments to you, the Policyowner; or
- if the Policyowner dies for a Joint Plan, the Insurance benefit will be paid to the surviving Partner Life Insured, or for a Single Plan, the Insurance benefit will be paid to the Policyowner's legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

All benefits paid in connection with this Policy will be made in Australian currency.

Nominations

As Policyowner, you can nominate a beneficiary or beneficiaries to receive payment of the Accident Insurance Benefit Amount on your death.

To make a nomination, you need to complete a Nomination of Beneficiaries Form (available on page 17 of this PDS) and return it to **Chubb Accident Insurance Customer Service**, PO Box 6728, Baulkham Hills NSW 2153.

Conditions of nominations

The following conditions apply:

- there must not be more than 5 nominees; and
- nominations must be of a natural person; and
- nominations must be in writing on a Nomination of Beneficiaries Form; and
- you may vary the nomination at any time by properly completing

- and signing a new Nomination of Beneficiaries Form and forwarding it to Chubb Accident Insurance Customer Service. The variation takes effect when it is received by us; and
- payment of benefits will be made on the basis of the latest valid nomination received by us; and
- if a nominee is a minor when payment is made, the payment will be made to the minor's legal guardian or trust for the benefit of the minor; and
- if a nominee pre-deceases the Policyowner, that nominee's share is payable to the Policyowner's legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

The payment of the benefit in accordance with the above in respect of a Life Insured is full and final discharge of our liability under the Policy for that benefit.

If the Policyowner dies leaving a surviving Partner Life Insured, from the time of the Policyowner's death, the Benefit Amount for all surviving Lives Insured under this Policy will continue (subject to payment of the first premium) under a new policy we will issue to the surviving Partner Life Insured in his or her name as the Policyowner. The new policy will be issued on the same terms as this Policy and takes effect subject to payment of the first premium.

Claims

If you (or your legal personal representative on your death) wish to claim under this Policy, please phone **1300 416 152** or write to **Chubb Accident Insurance Customer Service**, PO Box 6728, Baulkham Hills NSW 2153. You will be sent a form to be completed, signed and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense.

The Policy, and the Insurance for the Benefit, must be in force when the insured event occurs.

Claims should be made as soon as possible after the event giving rise to the claim. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be able to reduce the amount we would otherwise pay, or we may be able to refuse to pay the claim.

Before a claim is payable we must receive proof, provided at your (or your

estate's) expense and to our satisfaction, that the insured event has occurred.

In addition:

- proof must be supported by one or more appropriate Medical Practitioners; and
- all relevant information, including any test, examination, or laboratory results, must be provided to us.

We may be entitled to refuse to pay the benefit under this Policy if a claim is made more than 120 days after the insured event giving rise to the claim without good cause or if we do not have evidence to our satisfaction of the Life Insured's death, the cause of the Life Insured's death, or of the applicable insured event.

We reserve the right to require the Life Insured to undergo, at our expense, examinations or other reasonable tests (including, where necessary, a post-mortem examination) to confirm the occurrence of an insured event.

In addition we may conduct

investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

Taxation

In most cases your premium will not be tax deductible and tax will not be payable on any benefit paid under your Policy.

This information is based on continuance of present tax laws and our interpretation of those laws. Your individual situation may differ and you should seek qualified professional advice in relation to your particular circumstances.
