This Summary helps you make an informed decision when an insurance product is offered to you by a Distributor. This is not your Certificate of Insurance. The Distributor must also provide you with a fact sheet “Let’s Talk Insurance!” which is to inform you of your rights.

What is this insurance for? And what are the benefits?

Purchasing a vehicle or equipment and financing it has an important influence on your financial security. When you arrange to finance your vehicle or equipment purchased from the Distributor, you may choose to purchase optional insurance offered to you. If you choose to do so, the Insurer will pay benefits to your creditor to reduce or pay off your outstanding loan balance if you have an unexpected total disability due to injury or sickness, or if you die.

You can apply for coverage if, on the date you apply for insurance, you are:

- resident in Canada; and
- able to perform the usual duties of your livelihood; and
- personally responsible for the payment of the loan or lease arranged by the Distributor or the Group Policyholder.

and in addition

Pre-existing Condition for Life and Total Disability Insurance

If the health condition(s) is related to disease or disorder of the neck or back, and if you received Treatment or Advice for such condition(s) within both the 24-month period immediately before your insurance begins and the first 12 months of your coverage, you have a Pre-existing Condition.

Cancellation of Insurance

If you change your mind, there is a Satisfaction Review Period - If you find the insurance to be unsatisfactory, you may cancel coverage within 30 days of purchase; any premium you have paid will be refunded. To do this, you must contact customer service, toll free at 1 888-561-1101 to obtain a cancellation request form.

After the Satisfaction Review Period - You may cancel coverage at any time by calling the customer service to obtain a cancellation request form. If you provide proof that the loan was paid, the Insurer will issue the premium refund to you, otherwise, the Insurer will issue the refund to the creditor for credit to your account.

Refund amount is calculated using the following formula:

$$\left(\left[\frac{R \times (R+1)}{T \times (T+1)} \right] \times \text{Premium} \right)$$

Where R = number of remaining months left on insurance and

T = Term of Insurance in full months

Example:

Term of Insurance is 60 months

T = 60

You decided to cancel the coverage after 10 months

R = 50

Premium

\$2,000

$$\left(\left[\frac{50 \times (50+1)}{60 \times (60+1)} \right] \times \$2,000 \right) = \$1,393.44$$

If the term of insurance is different for Life Insurance than for Total Disability Insurance, then a premium refund will be calculated separately for each and summed to determine the total refund amount.

If the Insurer declined your application to enroll or the Insurer determined that you were not eligible for coverage when you purchase the coverage, the Insurer will refund the full premium as if your insurance has never been in force.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used to shorten the financing period.
