

Chubb Cyber: Did You Know?

Canadian Federal Privacy Law is Changing

On November 1, 2018 changes to the Personal Information Protection and Electronic Documents Act (PIPEDA) will require organizations to:

- ✓ Notify affected individuals about privacy breaches
- ✓ Report privacy breaches to the Office of the Privacy Commissioner of Canada
- ✓ Keep and maintain internal records of every breach of safeguards involving personal information under their control

Chubb Three Year Average Cost of First Party Expenses

*Figures in USD currency and based on North American claims. As of October 2017.

How can Chubb's Cyber ERM Insurance Policy Assist?
