

# High Value Items Insurance (General Specie)

CHUBB®

When it comes to insuring high value items (General Specie) customers seek a trusted partner with local expertise and worldwide resources.

Chubb has several decades of high value items experience and our knowledge and experience means that claims are professionally and discreetly handled by our award winning claims team.

Coverage is provided throughout the whole mining and manufacturing process, with clients ranging from mining companies and refiners to bullion banks, logistics operators and retailers.

That is why we are one of the biggest names in high value items insurance and provide cover for cash, precious metals, precious stones and securities and are a partner of choice for some of the world's leading financial institutions, mining companies, precious metals storage and safe deposit box operations.

## **Who does it cover?**

---

We arrange cover for a wide spectrum of clients such as:

- Banks, Financial Institutions
- Safe Deposit Box Operations
- Businesses that use Precious Metals in their Manufacturing Process

## **Cover, Policy Highlights**

---

Our specialist cover provides all risks of physical loss or damage with limited exclusions and possible tailored extensions whilst on secure premises and in transit.

Liability cover based on the contractual responsibility of the client to the interest insured is offered for those that operate storage facilities.

Insured high value items include but are not limited to cash, bullion, precious metals, precious stones and securities.

Market value coverage for metals and face value for cash.

Worldwide cover.

## **Examples of Risk**

---

- Bank premises & transits
- Cash, precious metals and other high value items in vault
- Mine sites & transits
- Processing, Refining
- Safe deposit boxes

## Why choose Chubb?

---

**Substantial capacities.** Ability to accommodate high policy limits in participation as primary, excess or quota share (lead or follow market).

**Global service.** Chubb's extensive worldwide network can provide local policies for foreign subsidiaries whilst delivering consistent high-quality service.

**Underwriting expertise.** Experienced global and regional leaders and underwriters as personal contacts.

**Client centric.** Bespoke and flexible solutions for our clients and long-term focus on client relationships.

**Risk Engineering.** Our clients can profit from risk surveys by specialized risk engineers that will provide comprehensive risk management solutions based on an understanding of our clients business needs.

**Highest A.M. Best rating.** Our A++ rating as well as the AA from Standard and Poor's rating demonstrate our financial strength and long-term ability to pay claims.

**Award-winning claims service.** Our award-winning claims team handles a diverse range of Fine Art & Specie claims in multiple jurisdictions and have experience of the most challenging of cases as well as a worldwide network of claims professionals to support.
