

Fine Art & Markets Insurance

The Art of Protection

CHUBB®

When it comes to items as precious as Fine Art, dealers and galleries seek a trusted partner with local expertise and worldwide resources.

Chubb has several decades of Fine Art experience and our connections to the art world means that claims are professionally and discreetly handled by our award winning claims team.

Our Fine Art & Markets insurance provides cover for stock owned by, on loan from/to, or consigned by/to the dealer or gallery while in transit, for storage, at restorers or on exhibition.

Chubb insures some of the most important collectors, and world`s leading museums as well as market leading dealers, galleries and auction houses, so you can count on our experience and expertise.

Who does it cover?

We arrange cover for a wide spectrum of clients such as:

- Galleries
- Fine Art & Antiques Dealers
- Auction Houses

Cover, Policy Highlights

Our specialist cover provides all risks of physical loss or damage with limited exclusions whilst on premises, in transit (“wall-to-wall”), in storage, during exhibitions (incl. Art Fairs/Shows) and whilst at unnamed locations such as on loan or at restorers.

Insured Property include stock, loaned items and objects on consignment, as well as fixtures, fittings, frames, reference library and packing materials.

Enhanced basis of valuation for Dealer owned stock (selling price minus), Consigned stock (consignment price plus). Sold stock (sale price) as well as for loans, reproducible items etc..

Worldwide cover including international transits and exhibitions, art fairs and shows as standard.

Why choose Chubb?

Substantial capacities. Ability to accommodate high policy limits in participation as primary, excess or quota share (lead or follow market).

Global service. Chubb's extensive worldwide network can provide local policies for foreign subsidiaries whilst delivering consistent high-quality service.

Underwriting expertise. Experienced global and regional leaders and underwriters as personal contacts.

Client centric. Bespoke and flexible solutions for our clients and long-term focus on client relationships.

Risk Engineering. Our clients can profit from risk surveys by specialized risk engineers that will provide comprehensive risk management solutions based on an understanding of our clients business needs.

Highest A.M. Best rating. Our A++ rating as well as the AA from Standard and Poor's rating demonstrate our financial strength and long-term ability to pay claims.

Award-winning claims service. Our award-winning claims team handles a diverse range of Fine Art & Specie claims in multiple jurisdictions and have experience of the most challenging of cases as well as a worldwide network of claims professionals to support.

Chubb is Host Partner of Art Basel Miami Beach.
