

Jewellers Block Insurance

CHUBB®

When it comes to insuring high value items customers seek a trusted partner with local expertise and worldwide resources.

Chubb has several decades of high value items experience and our knowledge and experience means that claims are professionally and discreetly handled by our award winning claims team.

Coverage is provided throughout the whole life cycle of such items from manufacturing to sales and trading, with a wide variety of clients.

That is why we are one of the biggest names in high value items insurance and are partner of choice for some of the world's leading companies.

Who does it cover?

We arrange cover for a wide spectrum of clients such as:

- Jewellers (Wholesalers, Retailers Globals)
- Trade of Diamonds and other Precious stones
- Manufacturers (Jewellery/Watches)
- Pawnshops

- Antique Dealers
- Fashion Houses and Luxury Goods Retailers
- Businesses that handle jewellery

Note: Our Solution for Private Jewellery: *Fine Art & Collections and Jewellery Collection*

Cover, Policy Highlights

Our specialist cover provides all risks of physical loss or damage whilst in transit, storage and display with notable extensions for:

- Stock held in store windows
- Trade shows and exhibitions
- Items on consignment to third parties
- Photoshoot cover
- Processing
- Wearing risk
- Infidelity

Insured high value items include but are not limited to rough/ polished precious stones, precious metals, jewellery and watches as well as on request furniture fixtures and fitting.

Why choose Chubb?

Substantial capacities. Ability to accommodate high policy limits in participation as primary, excess or quota share (lead or follow market).

Global service. Chubb's extensive worldwide network can provide local policies for foreign subsidiaries whilst delivering consistent high-quality service.

Underwriting expertise. Experienced global and regional leaders and underwriters as personal contacts.

Client centric. Bespoke and flexible solutions for our clients and long-term focus on client relationships.

Risk Engineering. Our clients can profit from risk surveys by specialized risk engineers that will provide comprehensive risk management solutions based on an understanding of our clients business needs.

Highest A.M. Best rating. Our A++ rating as well as the AA from Standard and Poor's rating demonstrate our financial strength and long-term ability to pay claims.

Award-winning claims service. Our award-winning claims team handles a diverse range of Fine Art & Specie claims in multiple jurisdictions and have experience of the most challenging of cases as well as a worldwide network of claims professionals to support.
