Our strengths – your benefits

Professional underwriting and claims management

We have excellent specialist knowledge and experience in underwriting on the spot and in claims management while complying with the respective national regulations.

Service standards

- Recognized services throughout the whole network
- Ensuring compliance

Reinsurance

Chubb gives you direct access worldwide to the reinsurance market.

Chubb GPS

- The Chubb Group has bundled its activities in the field of insurance coverage for international companies into a concept: Chubb Global Program Solutions or Chubb GPS, fine-tuned to the needs of its clients with global business. The web-based Chubb Worldview portal was specially tailored to the needs of multinational risk managers. Chubb Worldview enables risk managers to view their global insurance programmes online in real time.

The edge Chubb gives you

- Thanks to our innovative approach, we are in a position to offer and implement individual solutions. You obtain comprehensive insurance cover meeting all local market requirements. Chubb offers the following forms of cover that can be combined on a modular basis:
 - Specific risks
 - Fire
 - Natural hazards
 - Burglary/robbery
 - Water damage
 - Glass breakage
 - Extended coverage
 - All risks
 - Global storm, flood and earthquake insurance
 - Natural hazards – special risks
 - Difference in conditions/limits and insurance of the financial interests of the parent company
 - Machinery and IT risks
 - Inland transit (land transport)
 - Transformations and renovations
 - Terrorism, also as a stand-alone solution

We would be happy to advise you in person on your individual requirements.
