Living Well Benefit (For Non-HK Residents)

Have you ever considered how a critical illness would affect you and your family?

Thanks to medical advances in recent years that help ensure a greater chance of recovery for even big health issues. Yet, if it is a critical illness that one has to deal with, the corresponding expenses could still put a heavy strain on the insured and his/her family members.

Living Well Benefit (the “Rider”) provides protection against 43 critical illnesses with the financial support that let the insured focus on what truly matters - getting better.

Critical Illness Benefit

If the insured is diagnosed with one of the 43 covered critical illnesses while the Rider is in force, a Critical Illness Benefit of up to 100% of the Sum Assured of the Rider will be paid^{1,2,3}. This benefit will be provided up to age⁴ 100 of the insured⁵.

After the payment of the Critical Illness Benefit under the Rider, the benefits payable under the basic plan or term rider to which the Rider is attached will be reduced by the amount of Critical Illness Benefit paid.

Pairing up with Basic Plan for Comprehensive Protection

The Rider can be attached to most of Chubb Life’s basic plans, enhancing the insurance coverage already enjoyed by the insured.

The “Company”, “we”, or “our” herein refers to Chubb Life Insurance Company Ltd. (Incorporated in Bermuda with Limited Liability).
