

## Living Well Supreme Plus Benefit

Have you ever considered how a critical illness would affect you and your family?

Thanks to medical advances in recent years that help ensure a greater chance of recovery for even big health issues. Yet, if it is a critical illness that one has to deal with, the corresponding expenses could still put a heavy strain on the insured and his / her family members.

Living Well Supreme Plus Benefit (the “Rider”) provides protection against 52 critical illnesses with the financial support that let the insured focus on what truly matters - getting better. The Rider also provides a death benefit if the insured passes away, helping the family to cope with the difficult time.

### **Critical Illness Benefit**

---

If the insured is diagnosed with one of the 52 covered critical illnesses while the Rider is in force, a Critical Illness Benefit of up to 100% of the Sum Assured of the Rider will be paid<sup>1,2,3</sup>. This benefit will be provided up to age<sup>4</sup> 85 of the insured<sup>5</sup>.

### **Death Benefit**

---

If the insured passes away while the Rider is in force, a death benefit of up to 100% of the Sum Assured, less any amount of Critical Illness Benefit paid<sup>3,6</sup>, will be paid regardless of whether the death is resulted from a covered critical illness.

### **Revival Option**

---

This option is available to an insured below age 60 on the effective date of the Rider and it can be exercised before the insured reaches age 64. With this option, the Rider can be revived<sup>7</sup> 1 year after the date of initial diagnosis of a covered critical illness for which 100% of the Sum Assured of the Rider has been paid. Insurability of the insured is not required for revival.

Upon revival, a new policy<sup>8</sup> will be issued. Please note that for any critical illness that Critical Illness Benefit has been paid under the Rider together with any related illnesses as determined by the Company, Angioplasty, Carcinoma-in-Situ (Breast, Cervix Uteri, Prostate Gland and Testicles) and Severe Asthma will be excluded from the new policy.

The “Company”, “we”, or “our” herein refers to Chubb Life Insurance Company Ltd. (Incorporated in Bermuda with Limited Liability).

### **Complimentary Alternative Medical Advice Service<sup>9</sup>**

If the insured is diagnosed with a covered critical illness while the policy is in force, the insured can obtain alternative medical advice from medical experts practicing at medical institutions in the United States.

### **Pairing up with Basic Plan for Comprehensive Protection**

The Rider can be attached to most of Chubb Life's basic plans, enhancing the insurance coverage already enjoyed by the insured.
