CHUBB®

Chubb Life

Multi-Select Term

Have you ever imagined how affordable and easy it could be for getting life protection?

Chubb Life's Multi-Select Term is a convertible term life insurance plan that provides fundamental protection at great flexibility. Six plan terms are available for you to choose from. It is also guaranteed renewable at the end of each plan term. What's more, Multi-Select Term can be issued as either a basic plan (the "MS Basic Plan") or a rider (the "MS Rider")¹, meeting different specific needs.

Care for Your Loved Ones

Multi-Select Term offers fundamental protection against the insured's death. If the insured passes away while the plan is in force, a death benefit of 100% of the Sum Assured will be paid².

Conversion Option

While Multi-Select Term is in force, it can be converted³ into a participating whole life insurance plan or endowment plan of the Company offered at the time of conversion. This conversion option can be exercised before age⁴ 65 of the insured. Insurability of the insured is not required.

For any rider(s) that have been attached to Multi-Select Term upon application for conversion, you may change to have such rider(s) attached to the new policy without evidence of insurability on the insured provided that it meets other underwriting requirements of the Company.

"Chubb Life", the "Company", "we", or "our" herein refers to Chubb Life Insurance Company Ltd. (Incorporated in Bermuda with Limited Liability).

Guaranteed Renewal

Once Multi-Select Term is issued, it is guaranteed renewable at the end of each plan term up to the expiry age specified under the “More about Multi-Select Term” section, provided that you continue the payment of premium. Premium will be adjusted upon each renewal of plan term based on the premium rate applicable to the insured at that time. For details on the premium rates, please refer to the “Premium Structure” under the “More about Multi-Select Term” section in this product brochure.

Extra Protection

The Company offers a number of riders (that provide accident, critical illness, disability and medical protection) attachable to the MS Basic Plan to meet specific needs at different life stages. Further underwriting for riders is required, and extra premium applies. As for the MS Rider, it can be attached to most of Chubb Life’s basic plans, enhancing the insurance coverage already enjoyed by the insured.

Remarks:

1. In this product brochure, "Multi-Select Term" refers, collectively, to both the MS Basic Plan and the MS Rider.
2. Please note that we will deduct any outstanding premiums and loans together with accrued interest before making any benefit payment under the policy.
3. The premiums payable under the MS Basic Plan or the MS Rider (where applicable) must be paid to the date of conversion and all documents and payments required for the new policy must be received. Any converted term insurance ends when the new policy takes effect. If only a part of the Sum Assured of the MS Basic Plan or the MS Rider (where applicable) is converted, the remaining Sum Assured can only be continued subject to the Company's minimum limit. If it does not meet such limit, the MS Basic Plan or the MS Rider (where applicable) will end at the time the new policy takes effect.
The policy date of the new policy will be the date of conversion. In the general provisions of the new policy, suicide exclusion and the incontestability provision will start on the date of issue of the MS Basic Plan or the MS Rider (where applicable) or the date of last reinstatement of the original policy, whichever is later. The premium for the new policy will be based on the insured's age and the premium rate at the date of conversion with the risk classification same as the MS Basic Plan or the MS Rider (where applicable) before conversion.
4. In this product brochure, "age" refers to the age at the nearest birthday.
