

Construction

Why Chubb?

CHUBB®

What we offer

- A dedicated construction team with local underwriting authority to write medium to large complex construction projects across Continental Europe.
- Broad cover at a competitive price
- Generous limits of up to US \$130 million
- Access to one of the strongest risk engineering capabilities within the insurance industry as part of your policy.

Our expertise

- Specialist underwriting expertise across most industrial sectors on a worldwide basis
- Wide experience in both public and private sector projects
- Deep expertise in Europe's mature markets and emerging economies
- A market leader in designing and implementing compliant global insurance programmes for construction across all continents
- Holistic solutions: cover can be provided as part of a wider insurance package at Chubb, including casualty and environmental liability.

Services offered

- Direct access to local underwriters and other decision makers
- Local claims team and legal specialists with a strong track record in handling construction claims
- A commitment to long-term partnerships with flexible and tailored cover as the business grows
- Our underwriting decisions are not driven by market conditions but technical selection, meaning consistency for clients over time in terms and conditions and price.

Why Chubb?

- An underwriting company with a disciplined approach to risk selection, meaning a strong balance sheet for clients who transfer their risk to us
- Confidence in being covered by one of the world's largest insurers with financial strength ratings of AA (Very Strong) from Standard & Poor's and A++ (Superior) from A.M. Best.
