Design. Integrate. Achieve.

ESIS Health, Safety and Environmental (ESIS HSE) is part of ESIS®, Inc., (ESIS), one of the industry's oldest and largest risk management services companies. ESIS HSE is dedicated to working with clients to help prevent injury to people, liability to organizations, and damage to property. Our loss prevention specialists continue to develop as industry leaders through training, experience, and research.

ESIS is part of Chubb Group and provides claim and risk management services to a wide variety of commercial clients. ESIS HSE may be sold directly to ESIS' clients or as part of insurance underwriting provided by insurers within Chubb Group. Risk control activities conducted on behalf of the insurer are not intended as a direct benefit or service to Chubb insureds. The product information contained herein is a summary only. This service is not intended as a substitute for legal counsel nor is it intended to supplant any duty to provide a safe workplace, operation, product, or premises. ESIS makes no express or implied warranty that all accidents can or will be prevented, or that numbers of accidents or amounts of losses will be reduced.
