and more...

**Access to Chubb's full panel of repairers**  
With over 250 panel repairers nationwide, we have the right one just for you.

## How it works?

1. Get a quotation.

2. Submit a copy of your car's present odometer reading.

3. Issuance of MY Smart Car Insurance policy.

5. Top up mileage if need be.  
Unused mileage (capped at 2,000Km) can be carried forward to the next policy year upon renewal.

4. Keep track of your car's mileage and ensure it doesn't exceed the permitted mileage threshold.

*Note:*

1. Once the permitted mileage is exceeded, your policy will automatically switch to cover third-party liability only. Loss or damage to your car due to accident, theft or fire will not be covered. You will be required to top up the mileage to ensure that you enjoy the comprehensive coverage of the product.
2. You are to send your car to the nearest Chubb Panel Repairer for any repair following an accident. Car sent to other workshops other than a Chubb Panel Repairer will not be honored by us. You can obtain a list of Chubb Panel Repairers by visiting our corporate website at [www.chubb.com/my](http://www.chubb.com/my) or call our call center at 1300 88 0128.
