

Global Mobility Solutions

Taking care of your employees, wherever your business takes them

In today's global economy, employees are more mobile than ever. And as the workforce decentralises with more flexible working opportunities, how can your business maintain a duty of care?

The Global Mobility Landscape

Evolving risks facing employees

- | | | | |
|---|--|---|--|
| Cyber crime
Keeping employees and your networks secure | Terrorism
The evolving threat not limited to high risk countries | Civil unrest
Political and social unrest across the globe | Natural disasters
Major adverse events occurring more frequently |
| Petty crime
Business travellers often a specific target | Infectious diseases
Often compounded by lack of medical facilities | Travel scams
A worldwide risk, even for savvy business travellers | Mental health
Looking after the wellbeing of employees, wherever they may be |

Taking care of your employees wherever your business takes them
