Duty of Disclosure

Your Duty of Disclosure

Before entering into a contract of insurance with Chubb Insurance New Zealand Limited (Chubb), each prospective Insured has a duty to disclose to Chubb information that is material to Chubb's decision whether to accept the insurance and, if so, on what terms. This includes material information about the insured, any other people and all property and risks insured under the policy. Information may be material whether or not a specific question is asked.

There is the same duty to disclose material information to Chubb before renewal, extension, variation or reinstatement of a contract of insurance with Chubb. You should also provide all material information when you make a claim or if circumstances change during the term of the contract of insurance.

It is important that each prospective Insured understands all information provided in support of the application for insurance and that it is correct, as each prospective Insured will be bound by the answers and by the information it has provided.

The duty of disclosure continues after the application for insurance has been completed up until the time the contract of insurance is entered into.

Consequences of Non-Disclosure

If an Insured fails to comply with its duty of disclosure, Chubb may be entitled, without prejudice to its other rights, to reduce its liability under the contract in respect of a claim or refuse to pay the entire claim. Chubb may also have the right to avoid the contract from its beginning, this means the contract will be treated as if it never existed and no claims will be payable.

What Makes Up Your Insurance Contract

When Chubb accepts Your application, or Your existing Masterpiece Policy is renewed or amended, We enter into an insurance contract with You. Your insurance contract is made up of the following documents collectively known as Your Policy:

- This Policy Wording;
- Your current and/or revised Coverage Summary;
- Any endorsements that may be issued by Us from time to time.

The Policy Wording consists of different optional coverage sections which are outlined in the Table of Contents. Your insurance requirements and cover will depend on Your circumstances and on what Chubb agrees to provide. Not all sections of the Policy Wording will apply to You. The precise coverage given will be subject to the terms, conditions, limits and exclusions set out in the Policy Wording and the Coverage Summary and any changes agreed to by Us. The Coverage Summary will be issued to You if Chubb accepts Your application for insurance.

The types of cover Chubb agrees to provide to You will be shown on Your Coverage Summary.

Policy Conditions and Costs

Terms, Conditions and Exclusions

This Policy Wording is comprised of individual coverage sections, and general definition, condition and exclusion sections, which apply to all of the coverage sections. Please read the Coverage Summary, this Policy Wording and any endorsements carefully for full details of coverage terms, details on how to go about making a claim, Your obligations and duties and how Deductibles are applied.

In order to help You navigate this Policy, We've provided a brief summary of the different sections of this Policy Wording below:

Definitions

We define terms to give specific meaning to certain words or phrases. This ensures clarity in the Policy, but it may also limit the coverage available under the Policy. The defined terms appear in the section titled "Section 1 - Definitions and Interpretation". Please read the defined terms carefully.

All defined terms will be capitalised. If a word is not specifically defined in this Policy, then it will have its ordinary dictionary meaning.

Coverage Sections

In each coverage section under this Policy, We describe the circumstances in which You are covered and the way in which We will pay for any covered claim. The coverage sections will also include any additional cover

available which is specific to that particular coverage section under the heading “Extra Coverages”. The coverage sections are subject to the general definitions, conditions and exclusions sections.

Conditions

The conditions set out the rights and obligations that apply to both You and Us and include terms that govern the interpretation of this Policy. The conditions describe the requirements You must comply with for a claim to be accepted and paid. We have listed the conditions that apply to all coverage sections under the two headings titled “Section 8: Policy Conditions” and “Section 9: Claims Conditions”. The coverage sections may also contain conditions that apply to that coverage. If You do not comply with any of the conditions, then Your claim may not be paid or the amount paid may be reduced.

Exclusions

Exclusions describe what We will not pay for or cover under the Policy. We may rely on an exclusion to deny any claim under this Policy. It is important that the coverage sections are read together with the exclusions that apply to that particular coverage section. These exclusions are set out under the heading titled “Section 7: Exclusions”.

Policy Deductibles

If You make a claim under some sections of the Policy Wording, You may be required to pay a Deductible. For example, if You have cover provided under the Deluxe Contents Coverage and there is a Covered Loss involving damage to Your household Contents to the value of \$40,000 and a Deductible of \$1,000 applies, We will pay You \$39,000.

Details of applicable Deductibles are stated in Your Coverage Summary.

Premium

The cost of the Policy is the total premium amount, as detailed in Your Coverage Summary. Any applicable government taxes and charges will be shown separately on Your Coverage Summary. We may pay a commission to Your insurance intermediary for arranging the Policy. The premium payable will be determined by a number of factors which may include the construction of the home, the location of the property to be insured, the Sum Insured, Your claims history, security at the location and the age and condition of the property to be insured. The premium payment may also be increased or decreased when changes are made to Your Policy or upon renewal.

We may cancel the Policy if You have failed to pay the total premium due.

Legal action against Us

You agree not to bring legal action against Us unless You have first complied with all conditions of this Policy. For property, You also agree to bring any action against Us within two years after a loss occurs, but not until 30 days after proof of loss has been submitted to Us and the amount of loss has been determined.

How to Make a Claim

Please contact Us directly if You wish to make a claim or if You would prefer, Your financial adviser can make a claim on Your behalf. Email Us at nz.claims@chubb.com or call Us on 09 374 0930. Full details of what You must do for Us to consider Your claim are provided in the Policy Wording.

Cooling Off Period

You have 21 days to consider the information contained in Your Policy. This is Your cooling off period. If You would like, and provided You have not made a claim under Your Policy, You have the right to cancel Your insurance from inception during the cooling off period. We will refund in full any premium You have paid. To exercise this right You must notify Chubb in writing within 21 days from the date Your Policy first takes effect.

Even after the cooling period ends You have cancellation rights, as outlined in the next section. The cooling off rights do not apply if You have made or You are entitled to make a claim during the cooling off period.

Cancelling Your Policy

All cover is subject to the full terms, conditions and exclusions stated in the Policy. Please refer to Section 7. A for a full list of the exclusions applicable to Deluxe House Coverage.

How We will pay Your claim

1. Sum Insured

- i. The Sum Insured for each House for each Occurrence is shown in the Coverage Summary.
- ii. To help You and Us agree on the appropriate Sum Insured We may, but are not obligated to, conduct appraisals of Your House and Other Permanent Structures. We may change the Sum Insured to reflect the value of the property as determined by Our appraisal. The premium will be adjusted in accordance with Our standard rating.
- iii. Inflation protection: At the time of a Covered Loss, Your House Sum Insured will be adjusted to include any increase in the Consumer Price Index (CPI) from the beginning of the Policy Period. When the Policy is renewed the Sum Insured and the premium will reflect the then current costs and values.

2. Deductible

- i. The Deductible applies in respect of each Occurrence except that no Deductible applies to a Covered Loss of more than \$50,000 unless the Vacant House Deductible, or the Natural Disaster Deductible applies.
- ii. We will show any applicable special Deductible on Your Coverage Summary.
- iii. If the House has been substantially empty of unfixed furnishings and all Contents for more than 60 consecutive days at the time of a Covered Loss, the Vacant House Deductible will apply unless the Deductible shown in Your Coverage Summary is more than the Vacant House Deductible. The Vacant House Deductible will apply unless You have advised Us that the House will be vacant and We have agreed in advance in writing to waive the Vacant House Deductible. You must tell Us via Your insurance intermediary if Your House will be vacant and an additional premium will also be charged on a vacant House, effective the date it becomes vacant. The Vacant House Deductible is not waived on any Covered Loss.
- iv. If You have a Covered Loss caused by a Natural Disaster to a part of Your House or to an Other Permanent Structure that is not covered under the EQC Act at all, then Your Natural Disaster Deductible or the Deluxe House Coverage Deductible, whichever is the greater applies. The Natural Disaster Deductible is not waived on any Covered Loss.
- v. If an Occurrence gives rise to a Covered Loss under both the Deluxe House Coverage and the Deluxe Contents Coverage, We will only apply one Deductible to the loss. If the Deluxe House Coverage Deductible and the Deluxe Contents Coverage Deductible are different, We will apply the greater of the Deductibles.

3. Payment basis

- i. Your Coverage Summary indicates whether the payment basis in respect of a Covered Loss is Extended Replacement Cost or Verified Replacement Cost for each House.
- ii. We will pay Extended Replacement Cost or Verified Replacement Cost, as applicable, subject to the following conditions:
 - a) You must maintain the Sum Insured, including any adjustments made by Us based on appraisals and revaluations carried out by the Chubb risk consultant to determine the Reconstruction Cost of Your House, and annual adjustments for inflation.
 - b) You must advise Us of any construction, addition, alteration or renovation to Your House or Other Permanent Structures. You must notify Us before the beginning of construction where the cost of the construction, addition, alteration or renovation is more than \$300,000 or 10% of the Sum Insured for the House, whichever is less. You must notify Us as soon as practicable for all other construction, addition, alteration or renovation. We will amend the Sum Insured for Your House or Other Permanent Structures to reflect the Reconstruction Cost.

- c) If at any time:
- You are newly constructing Your House or Other Permanent Structure; or
 - Your construction, addition, alteration, or renovation to Your House or Other Permanent Structure results in You living out of the House during any part of the construction, or such that a House rented to others cannot reasonably be lived in during any part of the construction; or
 - the Reconstruction Cost of any construction, addition, alteration, or renovation to Your House or Other Permanent Structure is more than \$300,000 or 10% of the Sum Insured for the House, whichever is less and We have agreed to insure the construction, addition, alteration or renovation;
- then the payment basis for Your House or Other Permanent Structures will default to Verified Replacement Cost. Verified Replacement Cost will remain Your payment basis until construction is completed and You have notified Us.
- d) If You do not repair or replace Your House or Other Permanent Structure at the same location, the payment basis will be Verified Replacement Cost.
- e) If You have partial loss or damage to Your House and do not begin to repair, replace or rebuild the lost or damaged property within 180 days from the date of loss, We will only pay the Reconstruction Cost less depreciation unless You are prevented from repairing or replacing the lost or damaged property due to inaction of the local council or such like authority which is beyond Your control.

For each Occurrence, We will pay up to a total of \$25,000 plus any additional amount of coverage shown in the Coverage Summary for Mould remediation expenses at the location. This coverage applies only to the portion of the House, Other Permanent Structure or Contents which directly sustained the covered water damage loss. These payments do not increase the Sum Insured for Your House, Other Permanent Structure or Contents.

We also provide coverage for temporary relocation expenses You incur, made necessary by Mould remediation. For each Occurrence, We will pay up to 20% of the total amount of Mould remediation expense coverage. There is no Deductible for temporary relocation expenses.

We will pay the following reasonable and necessary Mould remediation expenses not otherwise covered:

- testing the indoor air quality for Mould;
- testing the surfaces and materials of Your House or Other Permanent Structure for Mould;
- developing a Mould remediation plan; and
- implementing a Mould remediation plan including the clean up, removal, containment, treatment or disposal of Mould.

We will also pay for the following reasonable and necessary Mould remediation costs, including the increased cost, not otherwise covered for:

- removing debris solely due to Mould; and
- repairing or replacing covered property damaged or removed solely due to Mould.

We will pay the following temporary relocation expenses:

- The reasonable increase in Your normal living expenses that is necessary to maintain Your household's usual standard of living for the reasonable amount of time required to complete Mould remediation; and
- The fair rental value of that part of Your house rented or held for rental, for the reasonable amount of time required to complete Mould remediation, during the period of time it is usually rented.

We will not make any additional payments for Mould remediation expenses or temporary relocation expenses under any other extra coverage. The amount of coverage for Mould remediation expenses and temporary relocation expenses is the most We will pay for the sum of all Mould remediation expenses and temporary relocation expenses, regardless of the number of covered water damage losses that occur during the Policy Period.

Natural Disaster

The premium You pay for this Policy includes an amount for Natural Disaster insurance which is provided by EQC. This Natural Disaster insurance is called EQCover.

If You need to make a claim under EQCover, We will pay the difference between the amount You are entitled to be paid by the EQC (before the deduction of the EQCover excess), and the amount We would have paid for a Covered Loss under this Policy.

We will only cover you under this benefit if all the following occur:

- Your House suffers a loss caused by a Natural Disaster;
- EQC accepts Your claim for the loss;
- You have been paid EQC's full liability in relation to Your claim for the loss;
- The cost to repair or rebuild the portion of Your House which has suffered loss is higher than the maximum amount payable under EQCover.

We will also pay for loss to Your House caused by a Natural Disaster that EQC does not cover because the damaged property is exempt property under EQCover. The Natural Disaster Deductible will apply.

Other Permanent Structures

We cover Other Permanent Structures on the grounds of Your House. For a Covered Loss to Other Permanent structures, We will pay up to a total of 30% of the House Sum Insured for the location at which a Covered Loss to Other Permanent Structures occurs, plus any additional amount of coverage shown in the Coverage Summary for Other Permanent Structures at the location. The same payment basis applies to Other Permanent Structures as to the House itself.

Rebuilding to code

After a Covered Loss, We cover the necessary cost of conforming to any law or to any ordinance that requires or regulates:

- the repair, replacement, or rebuilding or demolition of the damaged portion of Your House or Other Permanent Structures made necessary by the Covered Loss;
- the demolition, replacement, or rebuilding of the undamaged portion of Your House or Other Permanent Structure necessary to complete the repair, replacement or rebuilding of the damaged portion of Your House or Other Permanent Structure; or
- the demolition of the undamaged portion of Your House or Other Permanent Structure when Your House or Other Permanent Structure must be totally demolished.

This additional cover applies if You repair or rebuild Your House or Other Permanent Structure at the same location unless Your House or Other Permanent Structure must be relocated due to local, regional or national zoning or land use regulations. We will not pay any extra cost required because the House or Other Permanent Structure did not conform to a law or statute which was in effect at the time the House or Other Permanent Structure was built.

Tree removal

Unless covered elsewhere under this Policy Wording, We will pay the reasonable expenses You incur up to a total of \$5,000 for each Occurrence to remove trees which have fallen, or trees threatening to fall and cause damage to Your House or neighbouring premises, due to wind, hail, sleet or the weight of ice or snow, fire, lightning, explosion, riot or civil commotion, earthquake or malicious mischief. These payments apply only to fallen trees, or trees threatening to fall and cause damage, at a location shown in the Coverage Summary.

This extra coverage applies only if You begin to repair or replace the lost or damaged property within 180 days of the date of loss or damage. There is no Deductible for this coverage.

Unlimited trace and access

If water, gas or oil escapes from Your household heating, cooking or water system, We cover the cost of removing and replacing any part of Your House or Other Permanent Structure necessary to repair Your household heating, cooking or water system. We do not cover loss or damage to the household heating, cooking or water system itself.

Utility expenses

If You have a Covered Loss to Your solar, wind or geothermal electrical power generating system or to Your Alternative Water System on the grounds of Your House, We provide coverage for Utility Expenses. The maximum amount We will pay for all Utility Expenses is \$5,000 in total for each Occurrence.

Coverage for Utility Expenses only applies if You begin to repair or replace the applicable damaged or lost solar, wind, geothermal electrical power-generating system or Alternative Water System within 30 days of the Occurrence. These payments do not increase the amount of cover for Your House or Other Permanent Structures.

If a Covered Loss to Your solar, wind or geothermal electrical power-generating system on the grounds of Your House causes a loss of Your Power Utility Income, We cover this loss of Your Power Utility Income for the reasonable amount of time required to repair or replace Your solar, wind or geothermal electrical power-

generating system. Our payment will be based upon the average of Your Power Utility Income over the 12 month period immediately prior to the Covered Loss. We cover the increase in these Power Utility Expenses for the reasonable amount of time required to repair or replace Your solar, wind or geothermal electrical power-generating system.

Water leak detection expenses

We will reimburse You for the reasonable expense You incur, up to \$1,000, to install a Water Leak Detection and Control System following a covered water damage loss to Your House or Your Other Permanent Structures within the Policy Period. This cover applies only if:

- the amount of the covered water damage loss is \$10,000 or more prior to the application of the Deductible;
- the covered water damage loss is caused by a leak or break in a plumbing, heating or air conditioning system; and
- the installation of a Water Leak Detection and Control System was the first time such a system was installed in Your House or Other Permanent Structures.

There is no Deductible for this coverage.

Section 3: Deluxe Contents Coverage

Section 3: Deluxe Contents Coverage

This section of Your Policy Wording provides You with cover for physical loss or damage to Your Contents occurring anywhere in the world during the Policy Period, if a Sum Insured is stated in Your Coverage Summary for Deluxe Contents Coverage. All cover is subject to the full terms, conditions and exclusions stated in the Policy. Please refer to section 7.B for a full list of the exclusions applicable to Deluxe Contents Coverage.

How We will Pay Your Claim

1. Sum Insured

- i. The Sum Insured for Contents at each location for each Occurrence is shown in the Coverage Summary.
- ii. You agree that We may change this amount when valuations are conducted and when the Policy is renewed, to reflect current costs and values. The premium will be adjusted in accordance with Our standard rating.
- iii. Inflation protection: At the time of a Covered Loss, Your Contents Sum Insured will include any increase in the consumer price index (CPI) from the beginning of the Policy Period. When the Policy is renewed the Sum Insured and the premium will reflect the then current costs and values.
- iv. If, after a Covered Loss to both House and Contents, We pay more than the House Sum Insured because of Extended Replacement Cost, We will automatically increase the Contents Sum Insured for that loss or damage by the same percentage that We increased the amount of House coverage.

2. Deductible

- i. The Deductible applies in respect of each Occurrence except that no Deductible applies to a Covered Loss of more than \$50,000 unless the Vacant House Deductible or Natural Disaster Deductible applies.
- ii. We will show any applicable special Deductible on Your Coverage Summary.
- iii. If the location shown in the Coverage Summary has been substantially empty of all unfixed furnishings and all Contents for more than 60 consecutive days at the time of a Covered Loss, the Vacant House Deductible will apply unless the Deductible shown in the Coverage Summary is more than the Vacant House Deductible.
The Vacant House Deductible will apply unless You have advised Us that the location shown in the Coverage Summary will be vacant and We have agreed in advance in writing to waive the Vacant House Deductible. You must tell Us via Your insurance intermediary if Your location shown in the Coverage Summary will be vacant. An additional premium will also be charged on a vacant location, effective the date it becomes vacant. The Vacant House Deductible is not waived on any Covered Loss.
- iv. If an Occurrence gives rise to a Covered Loss under both the Deluxe House Coverage and the Deluxe Contents Coverage, We will only apply one Deductible to the loss. If the Deluxe House Coverage Deductible and the Deluxe Contents Coverage Deductible are different, We will apply the greater of the Deductibles. If the Covered Loss is a Natural Disaster, the greater of the location Deductible and the Natural Disaster Deductible will apply.

3. Payment basis

- i. The payment basis for Contents is Replacement Cost.
- ii. For a Covered Loss to Contents, the amount of coverage depends on where the loss or damage occurs.
 - a) At a location shown in the Coverage Summary:
If the Covered Loss takes place at a location shown in the Coverage Summary with Contents Coverage in this Policy, We will pay up to the Contents Sum Insured at that Location, for each Occurrence.
 - b) Away from a location shown in the Coverage Summary:
If the Covered Loss takes place away from any residence You own or live at, for each Occurrence the location which is most favourable to You will apply as the single listed location on which the payment is to be made.

- c) At a residence not listed in the Coverage Summary of this Policy:
- If the Covered Loss takes place at a residence You own or live at that does not have Contents coverage listed in this Policy or any other Policy issued by a Chubb group affiliate, subsidiary, related or parent company, We will pay up to 10% of the highest Sum Insured for Contents in this Policy, for each Occurrence. However, Contents in a newly acquired principal residence is not subject to this limitation, for the 60 days immediately after You begin to move Your Contents there.
 - The location which is most favourable to You will apply as the single listed location on which the payment is to be made.
 - Regardless of the number of Policies providing You with Contents coverage, payment will be made based only on this chosen location and will not be made under more than one policy.

iii. Pairs, sets and parts

For Covered Loss to a pair or set, or to part of a larger unit, We will pay the least of the following:

- the cost to repair the damaged property to its condition before the loss;
- the cost to replace it; or
- the cost to make up the difference between its market value before and after the loss.

However, if You agree to surrender the undamaged article(s) of the pair, set or parts to Us and We agree to accept them, We will pay You the full Replacement Cost of the entire pair, set or parts.

You may accept Our offer by paying the required premium on or before the starting date of each renewal period.

Sanctions

We will not be deemed to provide cover and We shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Us, Our parent company or Our ultimate holding company to any sanction, prohibition or restriction implemented pursuant to resolutions of the United Nations or any trade and economic sanctions, laws or regulations of New Zealand, the European Union, United Kingdom, or United States of America.

Subrogation

In the event of any payment under this Policy, We will be subrogated to all Your rights of recovery against any person or organisation and You shall execute and deliver any appropriate instruments and papers and do whatever else is necessary to secure such rights. Proof of loss

You must submit to Us, within 60 days after We request, Your signed, sworn proof of loss providing all information and documentation We request such as the cause of loss, inventories, receipts, repair estimates and other similar records.

With respect to Air Rage, Road Rage, Child Abduction, Hijacking, Stalking Threat, Home Invasion and Aggravated Assault claims under Family Protection, failure to give written proof of loss within this time frame will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Protect property

You must protect Your property from further loss or damage, and make any repairs that are necessary to protect the property. Keep an accurate record of Your expenses. We will pay the reasonable costs of protecting the property from further damage. This will not increase the sum insured that applies.

Reward Benefit

We will pay up to \$5,000 in any one Policy Period for information leading to a conviction in connection with a Covered Loss under this Policy. The maximum amount We will pay in any Policy Period is \$5,000, regardless of the number of people providing information and the number of Covered Losses. This benefit is not payable to You or a Family Member.
