WORKPLACE POLICY AND PROGRAM ON HEPATITIS B

CHUBB

Insurance Company of North America (a Chubb Company) is committed to conform to the established standards in the protection of our environment and health and safety in the workplace.

The company promotes and ensures a healthy environment through its various health programs to safeguard its employees. And as part of the company's compliance to DOLE Department Advisory No. 05, Series of 2010 (Guidelines for the Implementation of a Workplace Policy and Program on Hepatitis B), this program has been developed.

PURPOSE

This program is aimed to address the stigma attached to Hepatitis B and to ensure that the employees' right against discrimination and confidentiality is maintained.

This guideline is formulated for everybody's information and reference for the diagnosis, treatment, and prevention of Hepatitis B. This will inform the employees of their role as well as the company in dealing with Hepatitis B. A healthy environment encompasses a good working relationship and great output for continuous business growth.

I. IMPLEMENTING STRUCTURE

The Company's Hepatitis B workplace policy and program shall be managed by its Health and Safety Committee consisting of representatives from different departments.

II. COVERAGE

This program shall apply to all employees regardless of employment status.

III. GUIDELINES

A. Preventive Strategies

1. Conduct of Hepatitis B Advocacy, Training and Education

- a. Hepatitis B education shall be spearheaded by the Company's HMO provider as part of the Wellness Program in close coordination with the Health and Safety Committee.
- b. All employees are encouraged to be immunized against Hepatitis B after securing clearance from their physician.
- c. Workplace sanitation and proper waste management and disposal shall be monitored by the health and safety committee on a regular basis.

- d. Personal protective equipment shall be made available at all times for all employees.
- e. Employees will be given training and information on adherence to standards or universal precautions in the workplace.

2. Screening, Diagnosis, Treatment and Referral to Health Care Services

- a. The company shall establish a referral system and provide access to diagnostic and treatment services for its employees for appropriate medical evaluation/monitoring and management.
- b. Adherence to the guidelines for healthcare providers on the evaluation of Hepatitis B positive employees is highly encouraged.
- c. Screening for Hepatitis B as a prerequisite to employment shall not be mandatory.

B. Social Policy

1. Non-discriminatory Policy and Practices

- a. There shall be no discrimination of any form against employees on the basis of their Hepatitis B status consistent with the international agreements on non discrimination ratified by the Philippines (ILO C111). Employees shall not be discriminated against, from pre to post employment, including hiring, promotion, or assignment because of their hepatitis B status.
- b. Workplace management of sick employees shall not differ from that of any other illness. Persons with Hepatitis B related illnesses may work for as long as they are medically fit to work.

2. Confidentiality

Job applicants and employees shall not be compelled to disclose their Hepatitis B status and other related medical information. Co-employees shall not be obliged to reveal any personal information about their fellow employees. Access to personal data relating to employee's Hepatitis B status shall be bound by the rules on confidentiality and shall be strictly limited to medical personnel or if legally required.

3. Work Accommodation and Arrangement

- a. The company shall take measures to reasonably accommodate employees who are Hepatitis B positive or with Hepatitis B - related illnesses.
- b. Through agreements made between management and employees' representative, measures to support employees with Hepatitis B are encouraged to work through flexible leave arrangements, rescheduling of working time and arrangement for return to work.

C. Compensation

The company shall provide access to Social Security System and Employees Compensation benefits under PD 626 to an employee contracted with Hepatitis B infection in the performance of his/her duty.

IV. ROLES AND RESPONSIBILITIES OF EMPLOYERS AND EMPLOYEES

A. Employer's Responsibilities

1. The Employer, together with the employees, company focal personnel for human resources, and safety and health personnel shall develop, implement, monitor and evaluate the workplace policy and program on Hepatitis B.
2. The Employer, through its Human Resources Department, shall see to it that their company policy and program is adequately funded and made known to all employees.
3. The Human Resources Department shall ensure that their policy and program adheres to existing legislations and guidelines, including provisions on leaves, benefits and insurance.
4. Management shall provide information, education and training on Hepatitis B for its workforce consistent with the standardized basic information package developed by the Hepatitis B TWG, if not available within the establishment, then provide access to information.
5. The company shall ensure non-discriminatory practices in the workplace.
6. The management together with the company focal personnel for human resources and safety and health shall provide appropriate personal protective equipment to prevent Hepatitis B exposure, especially for employees exposed to potentially contaminated blood or body fluid.
7. The Health and Safety Committee, together with the employees shall jointly review the policy and program and continue to improve these by networking with government and organizations promoting Hepatitis B prevention.
8. The company shall ensure confidentiality of the health status of its employees, including those with Hepatitis B.
9. The Human Resources Department shall ensure that access to medical records is limited to authorized personnel.

B. Employees' Responsibilities

1. The employees are required to undertake an active role in the observance of Hepatitis B prevention and control. Promote and practice a healthy lifestyle with emphasis on avoiding high risk behavior and other risk factors that expose employees to increased risk of Hepatitis B infection.
2. Employees shall practice non-discriminatory acts against co-employees on the ground of Hepatitis B status.
3. Employees shall not have access to personnel data relating to a co-employee's Hepatitis B status.

4. Employees shall comply with the universal precaution and the preventive measures.
5. Employees with Hepatitis B may inform the health care provider or the company physician on their Hepatitis B status, that is, if their work activities may increase the risk of Hepatitis B infection and transmission or put the Hepatitis B positive at risk for aggravation.

V. IMPLEMENTATION AND MONITORING

Within the establishment, the implementation of the policy and program shall be monitored and evaluated periodically. The Safety and Health Committee or its counterpart shall be tasked for this purpose.

VI. EFFECTIVITY

This Policy shall take effect immediately and shall be made known to all employees.
