Important Notices

Statement pursuant to Section 25 (5) of the Insurance Act (Cap. 142) (or any subsequent amendments thereof) - You are to disclose in this Proposal Form fully and faithfully all facts which you know or ought to know, otherwise the policy issued hereunder may be void.

1) Your Duty of Disclosure
Before you enter into a contract of general insurance with an insurer, you have a duty under the law to disclose to the insurer every matter within your knowledge that is material to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms. If you are unsure whether a matter is material, you should disclose it. You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

It is important that all information contained in this application is understood by you and is correct, as you will be bound by your answers and by the information provided by you in this application. You should obtain advice before you sign this application if you do not properly understand any part of it. Your duty of disclosure continues after the application has been completed up until the contract of insurance is entered into.

2) Non-Disclosure
If you fail to comply with your duty of disclosure, the insurer may have the option of avoiding the contract of insurance from its beginning. If your non-disclosure is fraudulent, the insurer may also have the right to keep the premium that you have paid.

3) Claims Made Contract
Subject to its terms and conditions, the policy will cover your legal liability for any claim:
- First made by you during the policy period;
- Resulting from any circumstance of which you become aware during the policy period which may give rise to a future claim against you, provided you immediately inform us in writing of such circumstances within the policy period.

4) Change of Risk or Circumstances
You should advise the insurer as soon as practicable of any change to your normal business as disclosed in this application, such as changes in business activities, location, acquisitions and new overseas activities.

5) Subrogation
Where you have agreed with another person or company (who would otherwise be liable to compensate you for any loss or damage which is covered by the contract of insurance) that you will not seek to recover such loss or damage from that person, the insurer will not cover you, to the extent permitted by law, for such loss or damage.
