Let us raise your expectations of what insurers can deliver

We make sure you're made whole again quickly

At Chubb, we make the claims experience faster with less fine print. We have dedicated claims resources so the moment you make a claim, we are ready to deal with it in a fast, fair and fuss-free way.

And, we'll provide additional living expenses at your preferred like-for-like accommodation, should you experience a covered loss and need another place to stay. Because you and those closest to you are always our primary focus.

Complimentary Home Appraisal Service

We ensure that you're not under-insured. When you purchase a Masterpiece policy we will arrange a personal home appraisal free of charge. The appraiser will examine your home and estimate the replacement value of all features and take into account rarity of materials, design and the need for skilled craftsmanship. You will receive an accurate assessment of the rebuild cost of the home, as well as customised risk management advice to help reduce the risk of a loss.

We look for ways to say yes

You won't hear us say, "that's good enough."

After severe winds caused several trees to fall on a client's garage, damaging not only the garage but a car parked inside as well, Chubb stepped in to help. The client called his Chubb adjuster, and she immediately approved an estimate for tree removal. When the client needed to rebuild his garage, Chubb provided suggestions for a contractor, and within 48 hours, the client received his check in the mail to begin repairs.

You'll be treated as a top priority

We've trained our claim adjusters to contact you within 48 hours, and if approved, to issue your payment within 48 hours. Our adjusters have the authority to pay claims, but can't deny a claim without a manager's approval.

You won't hear us say, "that's good enough"

We replace all the details that turned your house into a home, from upgraded appliances to custom cabinets, flooring or carpentry. Plus, we'll replace upgraded appliances based on the exact or similar model available. You're always free to use your own contractor, or we're happy to provide pre-qualified referrals.

When you're at your worst, we're at our best

If you need a place to stay during repairs, for example, we'll help you find the right place based on where you'll be most comfortable, whether that's in a premium hotel or a similar type of home in your neighborhood and school district.

We look for ways to do more

You'll have specialists in your corner

We have a network of specialists that we can recommend to provide information and guidance about the security protection, fire protection, and other loss prevention measures.

You'll get greater protection and peace of mind

If something happens to the common areas in your building, such as the pool, clubhouse, or lobby, even if it's covered by your building's policy, you may need to contribute toward the excess of the management corporation or strata insurance. We will pay up to \$50,000 for your share of any payments or special levies charged against all strata title owners for common property or area loss or damages, with no deductibles.

When you're at your worst, we're at our best, always treating you with empathy.

When a client and their family returned home from a weekend getaway, they discovered that a pipe had burst in the attic and caused severe water damage. The client and her family needed to find temporary housing. To ensure they stayed comfortable, Chubb was able to find a rental in their school district, so the couple's two children could get to school easily each day.
