*“Chubb Masterpiece is a must have product for keeping all the belongings of you and your family secure and giving you **peace of mind**. My pride and joy watch was badly damaged in an accident and **the claim was handled extremely quickly and professionally**. And this isn't the first time Chubb and their agents have swooped to the rescue in such a fashion. The lifesaver that transformed my feelings of heartbreak into relief... Thank you Gayle.” – A 5-star review by Mike P*
