Which travel insurance plan to choose from?

The key to staying safe overseas is often in the preparation and travel insurance is an important accessory to have. While it can be tempting to take the chance and hope to get away without getting travel insurance, the cost of medical treatment overseas can be crippling should an unfortunate event arise.

Here are some recommendations on choosing a travel insurance plan:

Travel Pro Enhanced Plan Types

Annual Plan

Enjoy unlimited number of trips within the period of insurance (maximum 90 days per trip)

Single Trip Plan

If you are travelling not more than 3 times a year and not more than 31 days for each trip, then a single trip plan is recommended for you.

Family Plan

Travelling with your loved ones? Choose the family plan as it is more cost-effective and provides cover for you, your spouse and your children.

COVID-19 Cover

Purchase a plan that fits the destination country's COVID-19 entry requirements.
