

4 Trends Impacting Employers' Need for Group Personal Accident Policies

Working in today's VUCA (volatile, uncertain, complex & ambiguous) world requires continued focus on employee safety. Companies committed to being Employers of Choice are creating safety nets for their workforce including the provision of a Group Personal Accident policy.

Let's see how serious the landscape is.

Trend 1 - Increasing Regulator Scrutiny

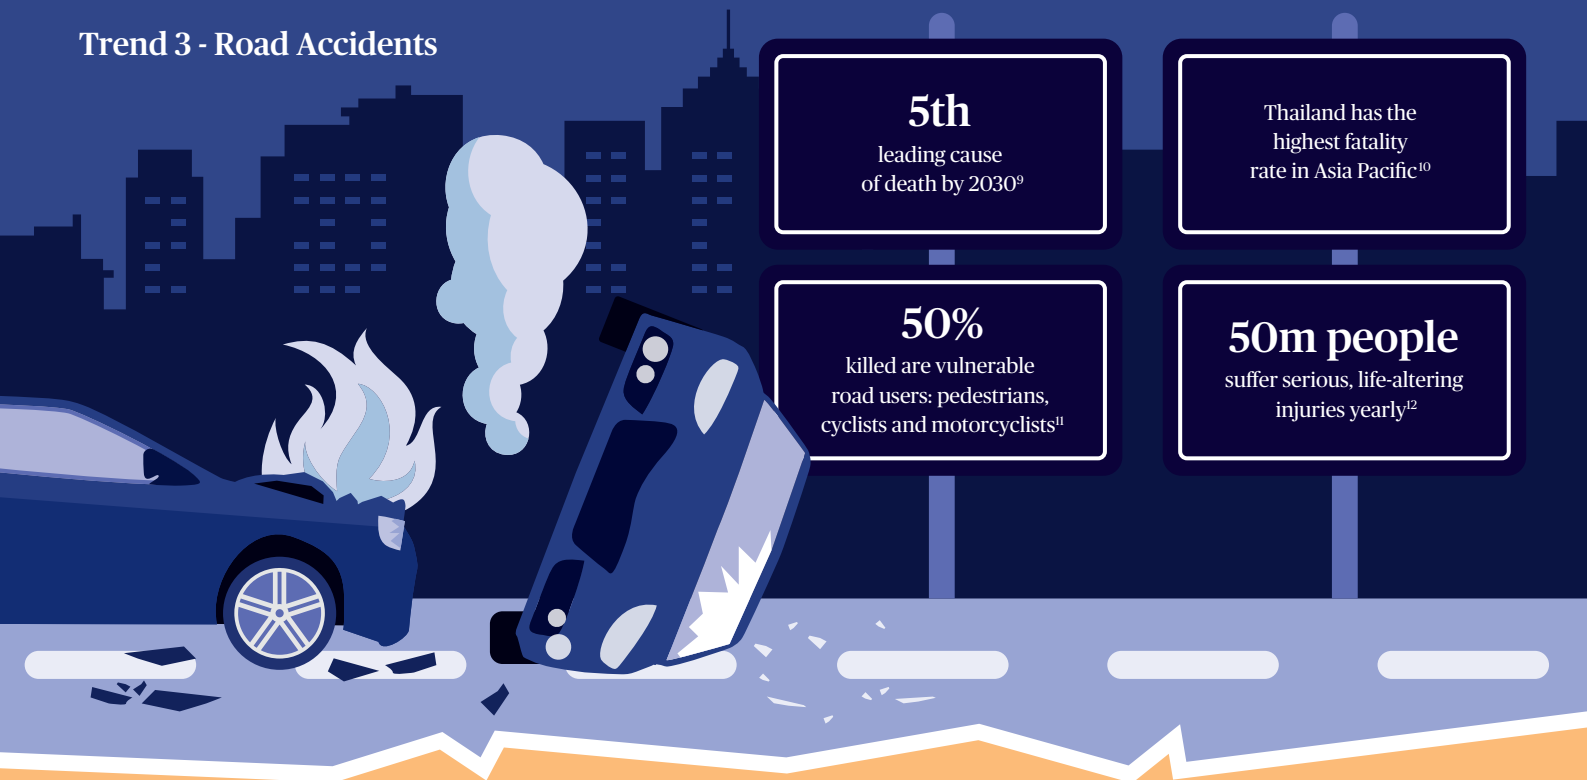

Recent Headlines in the Asia Pacific Region.

Trend 2 - A Global Increase in Work-related Deaths

Trend 3 - Road Accidents

Trend 4 - Natural Disasters in Asia Pacific Region
