Cyber incident case study: Ransomware attack

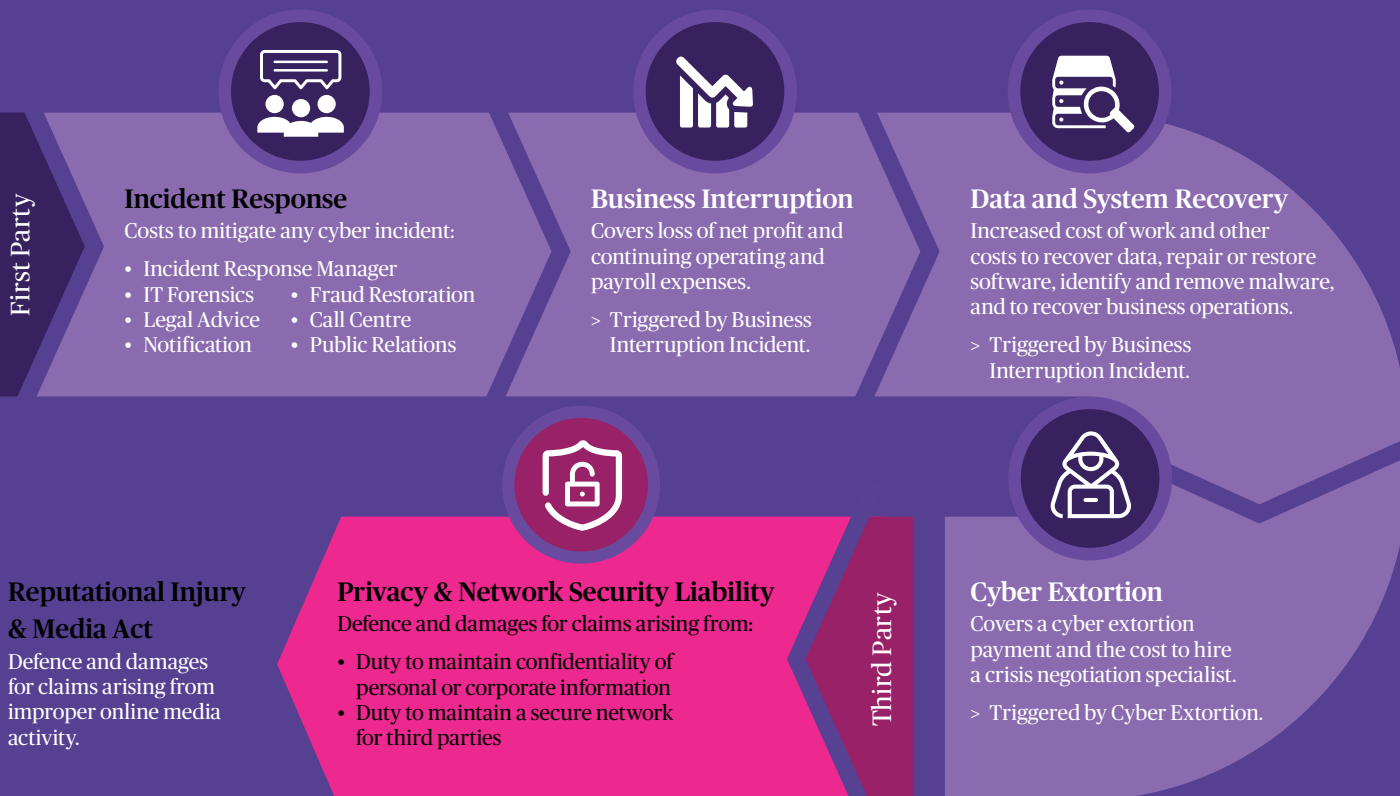

This cyber incident was reported through Chubb's 24/7/365 Cyber Alert mobile application which can be downloaded straight from the App Store (for iPhones) or from the Google Play Store (for Android devices) - just search 'Chubb Alert'. The following stakeholders were activated to provide a holistic response to the Insured's cyber incident.

Coverage

The Incident Response and Cyber Extortion insuring clauses initially triggered in response to the cyber incident; however, the incident response process impacted several other insuring agreements.
