

MasterPackage™ for Construction

CHUBB®

MasterPackage™ is Chubb's package policy for middle-market Construction clients

Chubb's Masterpackage for Construction Companies product is a broad modular package policy designed to meet the complex needs of the Construction Industry, which can be tailored to meet the needs of your business. It's a seamless way to insure multiple coverages under one policy, underwritten by specialist local underwriters and supported by claims and risk engineering specialists.

Why choose MasterPackage?

- **Package solution**
Seamless integration of cover across different sections of a policy reducing the potential for gaps in coverage.
- **Broad Coverage**
MasterPackage is designed to deliver broad all-risks cover with a wide range of extensions available.
- **Wide appetite**
MasterPackage offers comprehensive protection that meets the diverse needs of businesses across various industries.
- **Single Empowered Underwriter**
Your quote will be written by a single, dedicated underwriter, empowered to high levels of authority.

- **Regional Office Network**
MasterPackage is offered across our office network, allowing you to trade locally.
- **Global Reach**
Our global reach and multinational capabilities mean clients with operations around the world are in safe hands.
- **Available to quote online**
MasterPackage is available on Chubb Ignite, allowing you to quote and bind in minutes.

Policy offering

- Commercial builders
- House builders
- Infrastructure
- Groundworkers
- Roads and Highways

Coverage Highlights

Cover/Service	Benefit
Claims Preparation Costs	Costs and expenses incurred for services provided by qualified professionals in the production or certification of documentation in the event of a claim.
Height & Depth	Our wording does not have any EL/PL height or depth limits, conditions or exclusions.
Contractors Pollution Liability	Cover for contractors, site owners and developers against new pollution conditions whether sudden & accidental as well as gradual pollution events. It also extends to cover mobilisation or exacerbation of pre-existing (historical) contamination, statutory first- and third-party clean-up costs and biodiversity damage.
Visitors PA	Benefit paid should a lawful visitor to your contract site suffer serious injury or death, including home and car adaption and funeral expenses.
Wide range of extensions	<p>Our policy contains a generous range of extensions, specially designed for Construction risks</p> <ul style="list-style-type: none">• Loss prevention expenses• Breakdown of hired plant• Continuing hire charges• Testing and commissioning, maintenance period• Product recall expenses• Personal data liability <p>And more...</p> <p>Important: Full terms, including sublimits, are outlined in the policy and are only active if specific sections are purchased. Please ensure you read the policy wording for how these extensions are applied.</p>
Chubbflex	We provide £500,000 of cover across key extensions which can be allocated by you at the time of loss, meaning you are free to deploy it where you need it most.
Crisis response	Where public and products liability cover is purchased as part of MasterPackage, an emergency response helpline is included, which is available 24 hours a day, 7 days a week. Up to £100,000 of crisis response expenses are also available for expenses incurred as a result of damage or bodily injury to third parties.

Cover/Service	Benefit
Online Health & Safety Resources	Employers' Liability policyholders receive unlimited free access to accredited online health and safety resources, including Chubb eLearning and Chubb Risk Adviser. These tools offer a comprehensive range of eLearning modules covering key health, safety, and wellbeing topics, all meeting accreditation standards. Chubb Risk Adviser also provides up-to-date legislative information, compliance tools such as a self-assessment feature, and an "Ask the Expert" service for bespoke advice.
