

Credit Complete

Top-up coverage

CHUBB®

Credit Complete provides additional coverage when your existing credit insurance policy falls short of requirements. We recognise that at times, your desire to support sales outpaces the capacity available from your current trade credit insurer. Credit Complete can top up those shortfalls.

What we cover

- Cover mirrors your existing policy terms and conditions as closely as possible
- Credit Complete limits can be up to 100% of the current insurer limit
- Cover is non-cancellable by us.
- Premium is calculated for the number of days that exposure exists under the Credit Complete limit

Benefits of Credit Complete

- Uplift restricted credit limits from your current credit insurer
- Enhance your finance opportunities
- Grow your turnover by increasing your insured sales
- Only pay for the cover you use
- Claims are settled quickly following notice of indemnification from your current credit insurer
- Manage your credit limits in our dedicated online portal, available in several languages
