

Discover @chubb
for Commercial Lines

CHUBB®

We are proud to provide a wide variety of complementary digital solutions that allow your agency or brokerage to service our clients better, faster and more efficiently. We are continuously investing in technology to deliver solutions for your most frequent requests – real-time transaction processing and 24/7 access to policy, claims and billing information. We also partner with top agency management systems that allow you to manage information across different carriers in one central location.

Access our digital solutions via @chubb, the secure gateway into Chubb's service and expertise. Driven by your agency role, @chubb provides a set of links and data that pertain to your individualized needs.

Quote, Bind & Modify Business

Application	Description
Cargo Certificate Issuance	Create cargo certificates and record shipping activity and storage exposures.
Chubb Marketplace	Offers a quick and easy way to quote, issue and service all your small business and commercial cyber accounts.
Commercial eSubmission Form	Provides an easier submission experience combined with expedited underwriting. Available for select industry segments.
DecisionPointSM	Quote professional liability coverages for privately owned companies and not-for-profit organizations.
u•writerSM	Obtain a rate, quote or binder for contractors' equipment, builders' risk and/or motor truck legal liability insurance. In addition, u•writer allows you to process renewals and print quote letters, binders and client invoices.
WORLDCertTM	This state-of-the-art, interactive clinical trial insurance quote and certificate management system assures your life science or clinical research organization of fast, accurate documentation.

Account Servicing Solutions

Application	Description
Business Loss Runs*	Easily obtain loss run reports including the number of losses as well as loss and payment details. You can obtain loss information on individual policies or an entire account, 24/7, and select to look back three years or five years.
Direct Bill Info Center*	View or reprint your customer's Business Lines Direct Bill account and policy billing, including payment details, installments and pending cancellations.
Policy View*	View PDFs of policy transactions for your clients' Commercial and Financial Lines insurance programs.
Report a Loss*	Submit a loss while on the phone with a client and immediately provide them with a claims reference number, which automatically cedes into your agency management system for future reference.

*These solutions are also available real-time via some agency management systems

Sales Support Solutions

Application	Description
Building Valuation System	This tool from Marshall & Swift/Boeckh (MS/B) helps assess the value of a commercial building. The robust application provides detailed, up-to-date commercial valuation data in an easy-to-use format.
Business Income Consultation	This digital tool will help you calculate the right amount of insurance, to ensure your clients' business can survive the interruption of operations and the loss of income. Learn more (www.chubb.com/mybi)
Mid-Market Agent Resource Center	This new one-stop-shop provides you with a variety of digital tools and co-branded resources to grow your business across the middle market. (www.chubb.com/rediscover)
Mid-Market Web App	Easily access appetite and resources across nearly 30 industry practices and 70 products. (www.chubb.com/appetiteapp)

Agency Management Solutions

Application	Description
Commission Statements	Select individuals within your agency or brokerage can access monthly commission summary information and view and print documents by producer code, on demand, for current and historical statements.
Direct Deposit Commission	Agencies can have commission payments deposited directly via Electronic Funds Transfer. Individuals with Accounting Specialist or Agency Principal roles may enroll the agency electronically.

Claims & Risk Management Solutions

Application	Description
ChubbWorks	Offers convenient access to comprehensive EPL loss prevention tools, including model employment policies, procedures and forms, and more.
ClaimView*	Provide your clients with detailed information about their claim status within 24 hours of an update, including certain adjuster notes. The check inquiry feature allows you to view detailed claim check payment information on third party liability and first-party claims within 24 hours of the claim check issuance.
Risk Engineering Resource Center	The Risk Engineering Resource Center contains hundreds of risk management best practices and technical resources to help mitigate and minimize a company's risk.
Dimensions	A risk management information system designed for companies with a sizeable cost of risk that demand direct and timely access to their loss information, Dimensions empowers users to better monitor and manage claims programs, reducing overall costs.

*This solution is also available real-time via some agency management systems

Download & Upload Solutions

Solution	Description
Claims Download	Daily downloads of your claims detail will keep you on top of your customers' claims activities, including first notice of loss and claims status updates. (Applied only).
Claims Activity & Notes	Works with Transact Now for updates every two hours (Vertafore only).
Commercial Lines Policy Download	Populate your agency management system with the latest detail within two days of when a transaction occurs. For Small Commercial: Commercial Auto, BOP, Umbrella and Worker's Compensation policies available. For Mid-Market Commercial: Commercial Auto.
Commercial PaperFree	Provides agencies and brokers with electronic versions of all transactions that typically generate paper, including new lines, renewals, rewrites, endorsements, audits, cancellations and more. Most Commercial and Financial Lines products and policy types are included.
Direct Bill Commission Download	Update your agency management system with your Monthly Commission Statements, allowing you to reconcile your agency records with Chubb's quickly and easily.

Administrative Solutions

Application	Description
Chubb's Online Enrollment Center (EAS)	A fast-and-easy way for agency employees to obtain User IDs and passwords for @chubb. The agency or brokerage designates an Agency Administrator (through their local Chubb representative), who has the authority to request and revoke User IDs and passwords for its employees.
Reset Your Password	Located under the @chubb login box, "Password Reset" allows users to quickly reset their locked or forgotten passwords.

Additional solutions are also available.
