The Chubb Approach

The journey of each company is unique, and so are its exposures – driven by geography, scale, growth trajectory, and industry dynamics. That's why industry and product specialization is at the heart of Chubb's approach.

Supporting America's Most Vital Sector

Chubb is purposefully structured to deliver for small and lower midmarket (SLM) and middle market businesses. We define these companies by revenue:

Small to Lower Mid Market:
<\$30 million to \$75 million

Upper Middle Market:
\$75 to \$1 billion
