

# Every Policy Makes a Difference

More than 352,440 Chubb-donated trees benefit communities worldwide.

## California Creek Restoration

Helping private family forest landowners reforest after the devastating 2020 Creek Fire by partnering with Central Sierra Resiliency Fund (CSRF) to educate the landowners receiving seedlings.

## California King Fire Restoration

Restoring areas of El Dorado County, California using a climate-adaptive seeding technique designed to reduce the risk of another burn and renew habitats for the diverse wildlife impacted by the fire.

## Michigan Kirtland's Warbler Project

Expanding the endangered Kirtland's warbler's population from approximately 400 to more than 4,000 birds.

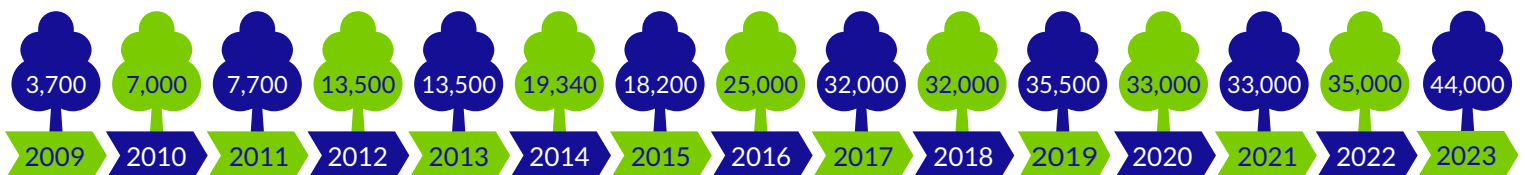

## Montana Fire Scars

Expanding the scale of post-fire reforestation projects after the Sarpy and Richard Spring Fires by restoring ponderosa pine forests.

Over the past decade, Chubb has contributed \$1 toward tree-planting initiatives for every environmental insurance policy issued globally.
