

Bundled Casualty Claims from Chubb Global Casualty

A simpler way to manage Workers' Compensation, Auto Liability, and General Liability claims under one contract.

Chubb Global Casualty offers a bundled claims solution designed to streamline insurance coverage and claims management for large organizations. By bringing Workers' Compensation, Auto Liability, and General Liability together under a single contract, the program simplifies administration, improves coordination, and helps lower total cost of risk.

With flexible pricing options, customized claims management, and integrated loss control support, the solution is built to help clients manage risk more effectively and operate more efficiently.

Key Benefits

- **Single-contract simplicity** for insurance coverage and claims management
- **Flexible claims pricing** included within your premium
- **Dedicated account service manager** for claims and program support
- **Customized claims programs** tailored to your organization's needs
- **Advanced risk management tools** that provide actionable insights and data-driven recommendations to help lower total cost of risk
- **Direct management of claim loss billings** for seamless administration
- **Regular claim review meetings and ongoing communication** to support proactive claims handling
- **Included Loss Control hours** to help manage total cost of risk
- **ESIS' proprietary intake platform (ClaimStart[®])** which streamlines claim reporting with an easy-to-use web portal, smart system integrations, large file upload capability, and 24/7 support from intake specialists

Why Chubb Global Casualty

Chubb Global Casualty specializes in primary casualty coverages for Workers' Compensation, Auto Liability, and General Liability, and has extensive experience serving Fortune 500 and Global 2000 companies. The bundled solution combines expert guidance, flexible pricing, powerful technology, and customized risk control services to support better claims outcomes and a more efficient program overall.

ESIS Global RiskAdvantage[®] provides meaningful analysis of loss data and advanced web technology, while Chubb Worldview[®] and Chubb 4D[®] Claim Analytics help deliver real-time visibility and optimize claims outcomes.
