

Natural Resources: What we've written lately

We have the underwriting appetite, specialized expertise, insurance products, and services to help agents like you quickly write more business for clients of all sizes.

Explore small and middle market accounts we have written with our agents for ideas on your next success with Chubb. Our expertise crosses various industry practices and business operations.

Oil and gas royalty interest owner

Coverage(s)	General Liability, Property, Auto, Umbrella
Approx. Premium	\$11,000
Why Chubb?	The agency is a key partner in the Natural Resources sector, however, has not previously thought of Chubb as a market for these smaller accounts until recently. Chubb was able to offer competitive, all lines tailored solution for this niche market segment.

Operational ground mount and rooftop solar portfolio in Midwest

Coverage(s)	Property and Equipment Breakdown only
Approx. Premium	\$43,000
Why Chubb?	The insured experienced servicing challenges with their previous provider, which Chubb successfully resolved. Additionally, Chubb collaborated with the Inland Marine team to deliver a tailored Builder's Risk solution.

Owner operator of fuel cells

Coverage(s)	Package, Umbrella
Approx. Premium	\$52,000
Why Chubb?	Independent Power Producer operating fuel cells in order to provide dedicated back up power source to a host facility.

Oil & gas roustabout service company

Coverage(s)	Package, Umbrella
Approx. Premium	\$67,000
Why Chubb?	Primary casualty coverage for roustabout service company providing maintenance, erosion control, vegetation control services at O&G sites.

P.E.-backed newly formed oil and gas lease operator

Coverage(s)	Property, General Liability, Pollution, Auto, Workers Compensation, Umbrella
Approx. Premium	\$70,000
Why Chubb?	Chubb demonstrated the capability to underwrite all requested lines of coverage, including the provision of a separate pollution policy, which is major differentiator in this business segment, by allowing a separate/dedicated tower of limits for pollution incidents without eroding the general liability limits.

Surface gold mining and exploration in Alaska

Coverage(s)	Package Property/Inland Marine & General Liability, Auto, Umbrella
Approx. Premium	\$91,000
Why Chubb?	Chubb distinguished itself by conducting underwriting that specifically addressed the prior significant claim, while also demonstrating a thorough understanding of the risk mitigation measures implemented to help prevent any potential recurrence.

Calcium and bentonite mine in western U.S.

Coverage(s)	Package Property /Inland Marine & General Liability, Auto, Umbrella
Approx. Premium	\$100,000
Why Chubb?	Showcasing knowledge and understanding of operations, Chubb provided a rapid turnaround on the quote, successfully meeting the policyholder's requirement for coverage by the closing date.

Owner's interest solar and BESS development

Coverage(s)	Two separate programs, each with General Liability and \$10M Excess
Approx. Premium	\$150,000
Why Chubb?	Chubb was able to provide distinct insurance programs for both solar and Battery Energy Storage Systems (BESS), in accordance with contractual requirements, despite their co-location on a single site.

Non-destructive testing pipeline inspection company

Coverage(s)	Property, General Liability, Auto, Umbrella, Workers Compensation
Approx. Premium	\$180,000
Why Chubb?	Ability to understand insured's unique scope of operations and being able to provide primary coverages for all lines of business needed.

Metallurgical coal highwall mining operations

Coverage(s)	General Liability
Approx. Premium	\$375,000
Why Chubb?	Chubb understood the insured's operations and was able to provide tailored casualty program that does not exclude work performed by 3rd party subcontractors.

Natural gas compressors service company

Coverage(s)	General Liability, Auto, Workers Compensation, Lead Umbrella
Approx. Premium	\$2,200,000
Why Chubb?	Chubb created a custom program solution to provide primary casualty coverage for a service company with expansive operations across various venues in US. Collaboration between underwriting and risk consulting services, in order to offer best solution for the customer.
