

Recall Plus™

Insurance for Consumable Products

Chubb Product Recall

CHUBB®

Product Recall Insurance is a first-party coverage, protecting the insured's balance sheet and business by reimbursing them for financial loss resulting from an insured event. This policy was developed for Growers, Processors, Manufacturers, Packaging, Distributors, Importers, Wholesalers, Exporters and Retailers of any topical and ingestible products for human use or consumption.

Q. Why Does a Business Need Product Recall Insurance?

Product recalls are occurring on a regular basis making the need for the coverage critical. A recall event can be debilitating to an insured's balance sheet, which can put a company at risk for going out of business. Product recall insurance is a first-party coverage protecting the insureds balance sheet by reimbursing the insured for expenses and other financial loss which are typically excluded on a general liability policy.

Q. Which Products are Covered?

Coverage applies to any topical or ingestible products for human use or consumption (including their ingredients, components or packaging) that are in production, processed, manufactured, handled and distributed by either the Insured or on behalf of the insured. Coverage can be tailored for product or contract-specific needs.

Q. What is the Insured Event That Triggers this Policy?

The policy is triggered by a voluntary, involuntary or mandatory stock recovery, market withdrawal or recall (by or on behalf of its insured, its customer or regulatory body) of an adulterated insured product where the consumption results in (or would result in) bodily injury or property damage.

Q. What Does Adulterated Mean?

Adulterated means:

- Accidentally or unintentionally contaminated or impaired by a microbiological, chemical, allergen, or physical hazard; or
- Mislabeled; or
- Deliberately, maliciously, or illegally tampered or threatened to be tampered

Q. Does the Policy Include Governmental-Related Recalls?

The policy may cover recall situations by or on behalf of a regularly constituted federal, state, or local regulatory or administrative body.

Q. What Coverages are Included in the Base Policy Form?

Coverages include:

- Recall costs (both insured and third-party) – including printed advertising, shipping costs, storage costs, personnel costs, disposal costs, and cancellation fees, etc.
- Consultant costs – including 24-hour hotline for post-incident assistance (costs are covered on a first dollar basis outside the policy limits)

Q. What Coverages are Available to Add to the Basic Consumable Products Policy Form?

Coverage endorsements available include the following:

- Replacement costs – including refunds, costs to repair or replace, labor costs, stock costs, redistribution costs of affected insured products
- Business interruption – loss of revenue after the decrease in sales caused by an insured event
- Extra expenses – costs to continue operations, minimize the suspension of business, costs to maintain employees
- Brand rehabilitation expenses – expenses incurred as a result of a covered recall event to re-establish the insured products to the projected level of sales anticipated prior to that event.

- Extortion costs – cash or money instruments paid in response to product extortion demands
- Consequential damages – those amounts or economic loss a customer has incurred caused directly in connection with a covered recall event which insured is legally obligated to reimburse
- Adverse publicity – the naming of the insured and insured's product in any local, regional, or national media with the implication that the insured's product is adulterated and the consumption or use has resulted in (or would result in) BI or PD.

Q. What Limits and Self-Insured Retentions are Available?

On a primary basis, you can buy a policy to start at limits as low as \$50,000 up to \$1M, and with an SIR as low as \$5,000.

Q. What limits are available?

Chubb's Product Recall unit has \$5M in limits available on a primary or excess basis. Additional capacity may be considered on a case by case basis.
