

Building a healthy cyber stack for small businesses

Cybercrime is on the rise, and small businesses are increasingly targeted³. Partnering with Chubb to build a healthy cyber stack that can help prevent many threats and mitigate damage when they do occur.

Threat Intelligence Outreach

Think of our **Vulnerability Management Outreach** as a smoke alarm for your business. Just as a smoke alarm warns you of fire danger before it spreads, our Cyber Threat Intelligence Team continuously monitors your network for actively exploited critical vulnerabilities that could lead to a cyber incident. If detected, we notify you and your agent providing guidance on how to remediate before it becomes a serious problem. This support helps you address potential threats early, helping protect your business and giving you peace of mind.

Incident Response Team

When you're a Chubb insured, you gain access to a dedicated panel of top cyber incident response experts ready to assist you during a crisis. Having access to experts, at pre-negotiated rates, not only enables you to respond quickly but also reduces costs, helping your business recover swiftly.

Chubb Cyber Stack²

Chubb Cyber Stack is a curated collection of complimentary services, geared towards helping to prevent cyber incidents and provide effective response for businesses with 100 employees or less. With these valuable services you can prepare your business and potentially save up to \$28,000 annually.

Digital Solutions

Get tailored cyber insurance solutions with our fast and simple quoting process. By leveraging Chubb's digital solutions like our **Cyber Central** and **Marketplace** platforms, appointed agents can obtain competitive quotes quickly and easily with minimal data input required for most risks.

Learn more about the many ways Chubb can help you stack up your defenses against cyber threats.

Stack up your cyber protection with Chubb.

1. NIST National Vulnerability Database (<https://nvd.nist.gov/general/nvd-dashboard>)
 2. Terms and conditions are subject to change. Businesses are entitled to receive complimentary cyber services for one full year. After the complimentary year, certain services will remain complimentary while other services will be offered at a 25% discount upon renewal. The complimentary cost is a one-year period and is applicable only to policyholders who are net new subscribers/customers to the respective services. Furthermore, eligible policyholders must meet the size limitation of having 100 employees or less to qualify for select services. Review specific terms and conditions of each service provider to ensure eligibility and to stay updated on any changes that may occur. Average savings based on countrywide survey of participating vendors from 6/15/24-7/15/24. As an existing Chubb insured, you are eligible to receive a discount on all consulting and investigative services rendered by participating vendors. This offer is made by the participating vendors and is available only to Chubb policyholders with a current in-force policy. For services provided, the policyholder and the participating vendor would enter into a vendor relationship directly. Chubb will not be involved in the policyholder's decision to purchase services and has no responsibility for services that may be provided.
 3. Chubb Cyber Index
 Chubb loss control services are intended solely to assist the insurer in underwriting and loss control and are not to be construed as an added benefit for the insured. The services are advisory in nature and are offered as a resource to be used together with your professional IT and insurance advisors in maintaining a cyber loss prevention program. These services are not intended as a substitute for consultation with your insurance broker, or for professional IT, legal, engineering or other professional advice. Chubb hereby disclaims any liability for the accuracy, completeness or applicability of the loss control information provided and disclaims any obligation to oversee or monitor any systems or insured's adherence to any guidance or practices.
