Complex Multinational Property

For more than 40 years, Chubb has provided client-focused, global property solutions that are customized for the broad range of risk management issues facing a multinational company. We are specialized in sophisticated program design and reinsurance structures, underwriting and multinational servicing.

Benefits:

- Dedicated account manager and servicing specialists by account
- Solutions for the unique complexities of global insurance requirements
- Single online service platform through Worldview®
- Quick money movement within defined timeframes, precise premium payment tracking, and accounting of net exportable reinsurance cessions
- Superior and broad managed global network — covering 170+ countries, including owned operations in 54 countries
- Experienced Multinational Property Claims Team who collaborate closely with designated third-party adjuster, insured, broker, Chubb team and program reinsurers

Limits:

- Fronted captive program limits up to \$1 billion
- Fronted non-captive program limits up to \$500 million

Target Clients:

- U.S.-based multinational companies
 - General property fronted captive and non-captive insurance programs
 - Energy property fronted captive and non-captive insurance programs
- U.S.-based Real Estate & Hospitality companies
 - Multinational property fronted captive and non-captive insurance programs
 - U.S. Domestic-only property fronted captive and non-captive insurance programs

Specialty CAT

Catastrophe risk can strike anywhere, anytime. Chubb is a recognized leader in solutions tailored for these exposures. We insure against a wide range of damage or loss from adverse natural catastrophes, including hurricanes and earthquakes. Admitted policies are available for all products.

Products:

- Flood reinstatements
- Spectra (Deductible buy downs)
- Multi-year solutions

Limits:

- Minimum premium of \$100,000
- Limits up to \$30 million

Target Clients:

- No occupancy restriction
