

Chubb Auto Mobile Estimate

CHUBB®

We hope you never need to file an auto claim with us. But if you do, that's our opportunity to show you what "craftsmanship" means in service to you. It means Chubb people working with empathy, integrity and our legendary attention to detail to make you whole. It means we honor the promises we've made to you.

If you or your business has experienced an auto accident covered by a Chubb insurance policy, we want to get you back on the road safely and as quickly as possible.

Through Chubb's Auto Mobile Estimate app you have a fast and convenient option for estimating auto damage. Using photos taken and submitted via the application, we are able to quickly generate your estimate within a few hours and settlements may be finalized within the same day.

How it works

1. Download App to Your Phone

On applicable claims covered by a Chubb insurance policy, your Chubb claim examiner will inquire if you have a smartphone and would like to obtain an estimate using the Chubb Auto Mobile Estimate application. If you choose this option, a link to download the mobile app will be sent to you.

2. Enter Information

To begin the process, launch the app and enter your claim number and last name.

3. Take Photos of Damage

You will be guided through taking and submitting photos of your vehicle, including an optional video of the damage.

4. Get an Estimate

Estimates are prepared by Chubb appraisers and are typically ready within three hours of the request being submitted. You will be notified as soon as the estimate is ready.

5. Receive a Settlement

You can choose to receive a payment for the estimate amount or take your car to a repair shop. While you always have the right to choose your own repair shop, the application will also allow you to view and access Chubb's Trusted Service Network.

Use of the Chubb Auto Mobile Estimate application is optional and provides an efficient user-friendly solution that shortens the life of a claim.

According to certain criteria, your Chubb Claim Examiner will determine if your claim qualifies. Chubb Auto Mobile Estimate is available for both personal and commercial auto claims.
