

# Chubb Property Manager Authorization Form

I hereby authorize representatives of Chubb to enter the grounds of my property in order to assess exterior damage to my property after a catastrophic event has affected the municipality where the property is located. The assessment may involve any of combination of the following: physical inspection, digital photography and aerial observation via drones. I recognize that drone use is also subject to the approval of my condo association, if applicable. I recognize that doing so may facilitate faster submission of a claim and may reduce the risk of further loss or damage to my property.

Additionally, the Chubb representative will only enter an affected area once it is safe to do so and emergency services have allowed access to the area. Should the Chubb Risk Consultant find obvious physical damage to my home, the representative will provide me with information in order to assist with the submission of a claim.

Chubb will use its best efforts to provide the services to my property. I understand that there may be instances when Chubb will not be able to provide the services to my property. I recognize that it is my responsibility to provide accurate and current contact information to Chubb, for example, whether my property is located within a gated community. In order for this service to be provided, this enrollment form must be completely filled out with accurate information.

I understand that this service is provided at no charge to secondary and seasonal homeowners with wind coverage in instances when sustained hurricane force winds are experienced at their property to help facilitate the claim process and help minimize damage to their property. Chubb has the right to terminate this service at any time and for any reason. I understand that this service will automatically terminate if I am no longer a policyholder. I also understand that my participation is totally voluntary. *This service is only available for secondary or seasonal properties with wind coverage in the following states: AL, CT, DE, FL, GA, LA, MA, MD, MS, NC, NH, NJ, NY, PA, RI, SC, VA, tier 1 TX coastal counties, and the District of Columbia. Condo / co-operative and renter policies are not eligible for enrollment.*
