Chubb: Your Construction Surety Partner of Choice

Chubb is a global surety with over 140 years of experience. Dedicated to customers' long-term success, Chubb offers value-added expertise through a team of construction industry specialists. Why partner with Chubb? The reasons are clear.

- **Customer Focused:** Fairness, integrity and clear communication are hallmarks of Chubb's operations. Chubb builds lasting relationships by deeply understanding customers and producers. That's why more than 75% of Chubb Surety's customers have been clients for over a decade.
- **A Global Surety Leader:** Chubb has the ability to issue or procure bonds in 45+ countries and territories throughout North America, Latin America, Europe and the Asia/Pacific region. Chubb's global reach, coupled with local knowledge, positions it as the multinational surety provider of choice.
- **Large Capacity Limits:** Providing some of the largest capacity limits in the industry, Chubb can support virtually any size project. Chubb's aggregate U.S. Treasury Department listing exceeds \$2.125 billion*, demonstrating dependable, stable surety capacity.
- **Financial Excellence:** Chubb maintains a superb balance sheet and consistently delivers exceptional financial results. Chubb's financial strength allows it to meet obligations promptly and efficiently.
- **Seasoned Construction Surety Team:** Chubb's surety leadership team boasts an average tenure of 20 years, providing clients and brokers with extensive knowledge and expertise. They provide state-of-the-art training for early career surety underwriters to maintain the highest industry standards. With a keen focus on the latest construction industry trends, Chubb is well-equipped to support its clients.

Trust Chubb Surety for stable capacity, exceptional service and a commitment to your long-term success. ♦
