## Remarks:

1. Crediting interest rates shown are before any relevant policy charges.
2. Crediting interest rates shown are calculated based on weighted average of actual crediting interest rates of the policies in each calendar year.

* The crediting interest rates reflect the $1 \%$ difference in crediting interest rate for the first 2 policy years and subsequent years as well as the adjustment in crediting interest rate (if any).
$\wedge \quad$ The crediting interest rates reflect the $1.2 \%$ difference in crediting interest rate for the first 2 policy years and subsequent years as well as the adjustment in crediting interest rate (if any).
\# The crediting interest rates reflect the $0.95 \%$ difference in crediting interest rate for the first 2 policy years and subsequent years as well as the adjustment in crediting interest rate (if any).

The "Company" herein refers to Chubb Life Insurance Hong Kong Limited, which is authorized by the Insurance Authority to carry on long-term insurance business in the Hong Kong Special Administrative Region.
