Why Chubb Life

Protecting your life's work with ours

Chubb has been living insurance for over 200 years, so you can have full confidence when recommending Chubb Life New Zealand Limited (Chubb Life) to your customers. For over a century we've been protecting New Zealanders with our simple, affordable insurance products, easy claims process and fast pay-outs.

The reasons why your customers should choose Chubb Life:

A comprehensive suite of personal and business products

Whether your customers are looking to protect themselves, their family or their business, we've got them covered. We understand everyone's circumstances are different so we can work with you to develop a solution designed with the unique needs of your customers in mind.

Client benefits

Unique to Chubb Life, client benefits provide extra support for customers when they need it most. Policy holders can claim up to \$1,000 during a policy year for legal, career and budgeting advice or mental health counselling. It complements their existing cover, is available to dependent children and best of all it's available at no additional cost. Terms and conditions apply and are available at www.chubblife.co.nz/client-benefits

We're part of something bigger

Our parent company, Chubb Corporation, operates in 54 countries and territories. It's one of the world's largest publicly-owned insurance companies, with more than \$200 billion in assets.

We've got an A (Excellent) in financial strength

When it comes to choosing an insurance company, you should be able to trust your provider. Chubb Life Insurance New Zealand Limited has an A (Excellent) financial strength rating given by A.M. Best Company Inc. A copy of the rating scale is available from our offices. This strong financial position means we're better able to protect your customers. Terms and conditions apply and are available at www.chubblife.co.nz/client-benefits
