Automated Certificate Of Insurance

- A self-service platform designed to enable the HR representative with access to register and generate Certificate Of Insurance (COI) for their employees travelling for business.
- This access is available to all existing Group Business Travel policyholders.

The screenshot shows a web interface for issuing a Certificate of Insurance (COI). The background is a high-angle photograph of two business men in suits walking on a stone floor, one carrying a briefcase. The interface is overlaid on the top left of this image.

Group Business Travel Insurance

Issue the Certificate of Insurance (COI) for your business travellers in just a few clicks

Ad-hoc Annual

Chubb Claims Service Portal

Launched in 2015, the [Chubb Claims Service Portal](#) has since assisted over 250,000 customers around the world, enabling them to submit claims online.

It has simplified what can be an emotional and frustrating experience by offering various benefits as follows:

- Submit a claim **anytime, anywhere and on any device**
- Provide **real-time** access to claim status
- Provide confirmation of submission and claim reference number via email or SMS
- Upload of supporting documentations

Desktop and mobile friendly

Dynamic question capability

Online upload of claim documents

Ease of use and simplicity of questions

Availability of electronic payment methods

Quick and easy claim submission process

Access to customer service contact number

Ability to submit different claim types

Dynamic display of docs required based on claim type selected

Online claim status check
