Life can be unpredictable, and dealing with insurance claims shouldn't add to your stress. That's why we've created a user-friendly Self-Service Portal to make it easy to file insurance claims online for Wellness, Accident, Disability, Hospital, Critical Illness, and Cancer Advocate Plus.
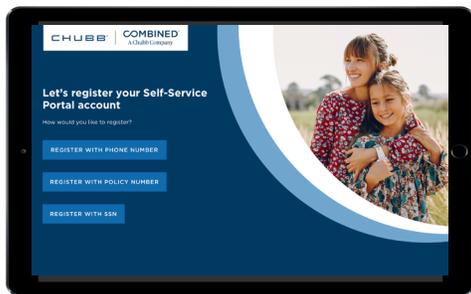

To get started, first-time users must register their account using these three quick and easy steps:

Step 1

Begin by registering your account using your phone number, policy number or Social Security number.
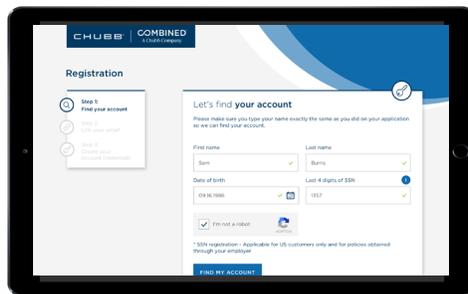

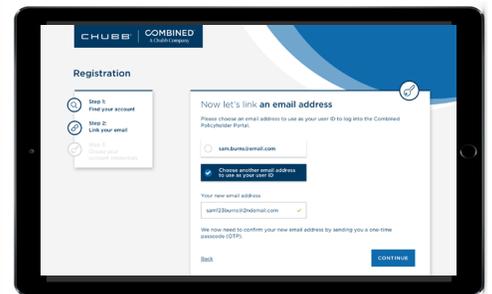

Simply scan the QR code or click here.

Step 2

Next, enter your name, date of birth and last four digits of your Social Security number, and we'll find your account information.

Step 3

We will then send a one-time passcode (OTP) to the email address you entered to complete your registration. **It's that easy.**

Registration is one and done

Once you register through the **Self-Service Portal**, all your coverage details will be available on an intuitive dashboard.

You'll find easy-to-use tools that allow you to submit claims, upload supporting documents, and track your claims online, 24/7.

If you have any trouble accessing the portal, just call us at 833-542-2013 between 7:30 AM and 6:00 PM CST.
